DISTRICT AND GENERAL

Western farmers say that a 44-hour week on the farm means \$3 wheat.

Market gardeners in the vicinity of London are predicting an unusually heavy crop of berries.

Miss Annie Randall died at the home of her sister, Mrs. Hubert, North Bothwell, on Monday, June 2nd, after a lingering illness.

By a vote of 96 to 43 the House of Commons passed a bylaw abolishing the conferring of all titles except military decorations.

Rev. A. M. Haig of West Lorne Presbyterian church has received a call to Ashburn and Utica in Whitby Presbytery. It is understood that he will accept.

Eighty-three of the ninety-nine members of the family of Mr. and Mrs. Henry Combs of Watford sat down at the golden wedding of that couple recently.

W. N. McEachren & Sons of Windsor will shortly begin the construction of 25 houses in Leamington working in conjunction with a syndicate of Leamington business men.

A lady station agent, Miss Nina Meloch, has been appointed by the M. C. T. C. to be in charge of the first of her sex in the position of station agent in this kind on the Canada division of this road.

Thomas Mink of Buffalo has a souvenir which he values very highly, being a horseshoe which he took off General Grant's horse in 1864, while he was in the quarter-master's department of the American army.

The suggestion made by some London motorists that the road between London and Port Stanley should be oiled is very popular. It is estimated that the work could be done for \$8000, of which the government would pay 40 per cent.

Miss Janet Louisa Brannan, second daughter of the late J. W. Brannan and Arabella R. Secord, pioneers of Alvington, passed away recently. Miss Jennie, as she was familiarly known, had charge of the post office at Alvington for many years, her father being the first and only postmaster of Alvington for over forty years at the time of his death.

After a lengthy illness, Richard J. Gough, one of the best-known hotelmen in Western Ontario, passed away at his home in Strathroy on June 1st. The deceased, who was in his 65th year, was proprietor of the Frangley House for some years. He is survived by two sons, Farrell of Detroit, and Sergt. Edward of the U. S. army at Camp Curtis.

Mr. J. C. Billings of Sharon, Pa. Mrs. Gough predeceased him some years.

A good band will enliven the day's proceedings.

ALCOHOL IN THE SILO
Former Assistant Attorney General Harpending of Starkey, N. Y., one of its most prominent farmers and domestic animal breeders, has torn down the silo on his stock farm.

It is a well-known fact that the corn fermentation to be found in liquid form in the bottoms of silos is very intoxicating, owing to the large amount of alcohol therein.

Obtaining alcoholic drink from this source is getting to be so common in this section that Harpending, not wishing to be in the slightest degree responsible for a condition which might promote intoxication, is dispensing with silos altogether.

It is said his example will be followed and an attempt will be made to find other milk-producing foods to take the place of silage.—Philadelphia North American.

A SIMPLE METHOD TO REMEDY RHEUMATISM
AGE DOES NOT INTERFERE IF TREATMENT IS PROPERLY FOLLOWED

Many persons contend that there is no sure remedy for Rheumatism, Sciatica, Neuralgia, Lumbago, Neuritis, or their kindred diseases, but don't be misled; draw your own conclusions from the proof submitted.

Over two years ago, William Nesbitt, of 113 John St., Toronto, Ontario, was attacked by Rheumatism. Mr. Nesbitt was 53 years of age at the time and he feared the worst. After trying many remedies and prescriptions without obtaining relief he took a friend's advice and used Templeton's Rheumatic Capsules. Result—today Mr. Nesbitt says, "He hasn't lost a day's work since nor fears Rheumatism any more."

Mr. Nesbitt gives the entire credit for his recovery to T.R.C.S. Profit by his experience. Try them.

Sole Agent for Glencoe, H. I. Johnston, Phm. B. Drugist, Optician and Stationer, or if you live out of town mail \$3.04 to the above address or to Templeton's, Limited, 142 King Street, West, Toronto, and Capsules will be sent postpaid.

COUNTY COUNCIL NOTES

A grant of \$500 was made to Strathroy hospital.

The county tax rate for the year was fixed at 6 49.75 mills, two and one-third mills less than last year.

The council endorsed the resolution adopted at the Thamesville meeting on June 4, which recommends the claims of the Longwoods road for the provincial highway.

It is possible that an effort will be made to re-open a decision to refuse financial support to the Y.M.C.A. and the Navy League, each of which organizations appealed for \$5,000.

It was concluded to leave in abeyance for the time being a proposal to erect in London a \$40,000 bronze memorial to sons of the municipality who gave their lives in war service. The councillors have absolute control of the townships are already proceeding to erect smaller local memorials, and until the situation assumes a more definite state no action can be taken on the larger proposal.

The councillors also concluded to revise county road regulations, as a result of which the county council will hereafter have absolute control of the county system. Heretofore money collected from the individual municipalities for road construction has been spent in such unimproved and unsatisfactory ways as to have created an alleged surplus of \$200,000.

MOORE-McALPINE
Kilmartin, June 9.—A quiet but pretty wedding took place at the home of Mrs. Alex. D. McAlpine on Wednesday, June 4th, when her daughter, Mary Elizabeth, was united in marriage to Thomas Moore of Walkerville at four o'clock.

The bride was charmingly attired in white embroidery tricot with veil and coronet of orange blossoms and carried a bouquet of pink Ophelia roses and maidenhair fern. She entered the drawing-room on the arm of her brother-in-law, to the strains of Mendelssohn's Wedding March, which was played by Miss Isabella McAlpine, cousin of the bride, who was bridesmaid and was prettily gowned in orchid crepe meteor and carried a bouquet of sweet peas. The groom was supported by his nephew, Alex. Moore of Detroit. Little Prudence Louise Moore, niece of the bride, was very pretty as ring bearer. The groom's gift to the bride was a lavender of pearls with a diamond centre, to the bridesmaid and pianist sterling silver bud vases, to the ring bearer a gold bracelet and to the best man a tie pin with diamond setting.

Mr. and Mrs. Moore left for London and other points amid showers of confetti and rice. The bride travelled in a navy blue suit with large black hat. The gifts to the bride and groom were beautiful and costly.

RECEPTION TO SOLDIERS
The Battle Hill Relief Society gave a reception and presentation to five returned soldiers on May 30th at the school house S. S. No. 1, Moss-Petry, Parris, Clarke, Thorne, Foster and Hudson. Each was given \$10 in money, 2 pairs of socks, and shirts. They made suitable replies, and afterwards a good program was given of speeches and songs by local talent. Music was also furnished by the Woodgreen orchestra. The chair was ably filled by Isaac Watterworth. Lunch was served, the crowd dispersed after singing the National Anthem.

FINGERS BLOWN OFF
James Brochy, employed as a farm hand by Neil McMillan of Kintyre, lost two fingers of his left hand and one finger of his right hand on Sunday afternoon while handling dynamite. Dynamite had been in use at the farm to remove stumps and an unused portion was placed for safe-keeping on a cupboard shelf, Brochy being particularly cautioned not to handle it. On Sunday Mr. and Mrs. McMillan came to Glencoe to spend the day. To their evening they had just been telling their friends whom they were visiting about their using dynamite for stumping and their fear lest the hired man might grow too curious about the explosive during their absence, when word reached them of the accident.

Make it unanimous. Let no one miss the Great FARMERS' DEMONSTRATION at Strathroy on July 1st.

GLENCOE HORSE SHOW

Glencoe annual horse show and race meet will be held on Wednesday of next week and promises to be unusually attractive. Prizes of \$10, \$5 and \$3 each are offered in 12 different classes for the horse show, and there will be a free-for-all trot or pace, purse \$150, and 2.50 class trot or pace, purse \$125. A league baseball game and callithumpion parade are promised for the forenoon, so that there will be something to do all the day. Music will be furnished by the London Kiltie band, London's Harry Lauder, Sam Munro, will sing, and there will be Highland dancing as well. In the evening a laughable play entitled "A Pair of Country Kids" will be given in the opera house by the Duart dramatic club.

CALL TO REV. MR. LLOYD
A call has been extended from the congregations at Ivan and Vanneck in the Presbytery of London to Rev. G. S. Lloyd, M. A., pastor of Glencoe Presbyterian church. Presbytery has recently rearranged three charges in the district affected, making Ivan and Vanneck the two strongest congregations, into one charge, which will thus be an attractive field of labor. We understand that Mr. Lloyd had been prosed for a call but had given the congregations names and encouragement that he would accept a call should it be extended to him. Unless procedure is aided by Mr. Lloyd, the matter will likely be considered at the July meeting of Presbytery to be held at Port Stanley.

ALVINGTON SOLDIER DIES
The death occurred in Byron Sanitarium last week of Mr. Edgar Oke, son of Mr. and Mrs. Albert Oke of Strathroy, an illness of over a year. Deceased went overseas with the Lambton 130 and had seen a couple of years' service in the trenches, and it was there that he contracted the disease which ended fatally. About a year ago he was invalided home and shortly afterwards was taken under military direction to the sanitarium. At the time of contracting he was in the best of health, but the hardships of trench warfare got the best of him and he returned a mere wreck of his former self. He was with the Canadian forces in the spring of 1918 and did his part in stopping the big drive of the Hun at that time.

He was in his 22nd year. Three boys of this family had served overseas. Edward returned two years ago and Ernest is still in England.

Six returned soldiers, chums of deceased, acted as pall-bearers at the funeral in Alvington on Wednesday.

The general public is cordially invited to the GRAND U. F. O. DEMONSTRATION at Strathroy on July 1st. You will get your money's worth.

GIBBS-GOODE
A very pretty but quiet wedding was solemnized at the home of Mr. and Mrs. Ed. Goode of Colborne township on Wednesday, June 4th, when their daughter, Mabel Marie, was united in marriage to Wm. Gibbs of Appin, Ont., only immediate relatives being present. The bridal couple stood under an arch of maple leaves and lilacs, the ceremony being performed by Rev. W. Campbell, B. A. The bride, who was unattended, was given away by her brother-in-law, T. H. Brownlee. She was dressed in white duchesse satin and georgette crepe, with bridal veil and orange blossoms, and carried a bouquet of white roses and fern.

After congratulations the party sat down to a wedding dinner. The bride was the recipient of many beautiful gifts and a number of cheques, among them being a beautiful china cocoa set from the Pusher Bible Class, of which the bride was a member. The groom's gift to the bride was a substantial cheque.

The guests from a distance were Miss Mary Gibbs of Appin, sister of the groom; Mr. and Mrs. T. H. Brownlee and two children, Harold and Alice Brownlee, of Appin, and Mr. and Mrs. George Brownlee of Sault Ste. Marie, Ont.

Mr. and Mrs. Gibbs left by G. T. R. for their future home in Appin, the bride travelling in a suit of navy chiton taffeta with white hat.
