Death of William Griffin.

Many Guelphites will greatly regret to learn of the death of Mr. William Griffin, superintendent of the Wellington County House of Industry and Refuge. He was stricken down with paralysis on Sunday evening last and since that time there have been no hopes held out for his recovery. He was 76 years of age and had been superintendent of the House of Industry and Refuge for about 24 years. He was a careful and painstaking official, and with his wife, was greatly beloved and respected by all the inmates and the county officials were at all times greatly pleased with his management. Deceased lived before going to this position, at Alma.

Oppose to Proposal to Have Matrons at Shows.

The proposed legislation of the Ontario Government whereby matrons will be allowed at picture shows to care for the children attending is meeting with opposition from the Galt Children's Aid Society which thinks that parents should continue to have the supervision over their children at such places. The society wants the present law more strictly enforced in order to give the children the educational value of pictures suggested by a children's show on Saturdays promoted by Public School Boards. Kitcheners and Waterloo societies have been asked to support the proposal which will be submitted shortly to the Government.

Guelph Has Probable Charge of Murder.

"We find that Alex Dutki came to his death on March 30 1919 from gunshot wounds received about the hour of 8.45 p.m. on Allee street Guelph, from a revolver in the hands of James Giovannozzi."

The above was the verdict presented at the close of the Dutki inquest held at the Police Court after a long session. It does not implicate John Nasadek in the murder of Dutki although he had been charged with the crime of it is altogether probable that another charge of a serious nature will be laid against him."

Scout Newslets.

The Scouts held their weekly meeting at the Presbyterian Church Thursday evening. The Chaplain read the 13th Chapter of Mathews for the scripture after which the Lords Prayer, Scout Law and Promise were repeated. The troops then went on to get a short march on a few streets and after lining up at the church they were given a short talk on education and non education by the Scoutmaster. He showed the boys how education benefits one as against non education and he advised the boys to keep a good record in school and to go as far as possible in their studies.

The troops then divided into the patrol and the race for second class honors was continued. The Bulldogs and Beavers head the troop for the honors and are working hard to maintain or overtake the one ahead.

The roll call was then taken and showed an attendance of 45. The troop was then dismissed for the evening and will meet at the church next week as the visit to the Benton street Church has been postponed for a week.
