The Acadia Academy hockey team has challenged for the Halifax Herald high school trophy. The St. F. X. Academy team plays the Acadia team here tonight and this game will probably count in the elimination series. The Acadia boys have a very strong team and have had a most successful season, losing only one game.

Two important changes in the staff of the Dominion Atlantic Railway were announced this week. Mr. R. U. Parker, who has been general passenger agent at Halifax, has been transferred to Boston where he will be in charge of the United States territory. The freight and passenger business of the D. A. R. has been consolidated with Mr. F. G. J. Comeau in charge as General Freight and Passenger Agent.

BIBLE CLASS BANQUET

The Men's Class of the Wolfville Baptist church gave a complimentary banquet last Friday evening in honor of their teacher, Mr. E. W. Robinson, who during the winter months has made the class most interesting and is now obliged to bring his teaching to an end on account of his absence at Ottawa to take up his parliamentary duties. The function was held in the dining-hall of the church where about seventy men sat down to a repast served in a most satisfactory manner by members of the male sex. Dr. Wheelock, the president of the class presided, and after the wants of the inner man had been amply supplied announced a program that included addresses by Rev. Dr. MacDonald, Mayor Sutherland, Dr. Cutten, Emerson Warren, Fred Peck, A. M. Young and M. J. Tamplin. Mr. Robinson made a fitting reply. The musical part of the entertainment included a number of Welsh songs by Mr. Jones, of the Seminary staff, and selections by Principal Silver.

GREEK LETTER SORORITIES MENTACE TO DEMOCRACY IN COLLEGES?

The menace of exclusive, snobbish, Greek letter fraternities and sororities to the democratic spirit which should exist in our colleges and universities is one that is recognized by many educators and college presidents. Sometimes the students themselves realize the danger. The attempts of Woodrow Wilson and also of Grover Cleveland's son to break up the club system at Princeton will long be remembered in the campus gossip of that university.

This problem forms the point about which the interest centers in the first episode of Vitagraph's latest and greatest serial, "Breaking Through," which will be shown at the Opera House on Wednesday and Thursday, Mar. 8 & 9, and for fifteen weeks thereafter. The heroine, Bettina Lowden, is opposed to "superior" stand-offish sororities, and she has refused to join them, although she is the most popular girl in college. She determined to put the "kibosh" on a secret initiation that is being held. How she does it, even at the risk of her life, how she only saves herself from capture by climbing up the beam at the hay opening of an old barn, leaving her skirt in her pursuer's hands, and what consequences follow from the possession of this telltale evidence are only a few of the thrills and surprises crammed into the first episode of "Breaking Through."

DYNAMITE USED TO BREAK UP ICE AT HANTSPORT

The mammoth ice cakes that formed in the Avon River during the extremely cold winter became such a menace to the Abiteau that it was necessary to break them by the use of dynamite.

KINGS CO. CAPTAIN MURDERED AT SEA

The daily press gives details of the brutal murder of Capt. Joseph Noble Chute, of the schooner "Lewis Brothers", on Feb. 22nd, on board his vessel in the Florida Straits. Capt. Chute was a native of Harbourville, in this county, and was between fifty and sixty years of age. He leaves a widow and five children living at Mobile, Ala. Capt. Chute was a brother of Mrs. Thomas Sutherland, of Lower Wolfville, and when a young man was for a time a resident here and is remembered by a number of Wolfville people. Seven or eight years ago he was at Port Williams where the vessel of which he was in command loaded deal for a south-sea port. In 1916 he was in command of a vessel which loaded at Halifax for Australia but was not able to proceed further than the Barbadoes.

The particulars of the murder are yet unknown. The vessel was found by the American oil-tanker Sabine Sun drifting with all sail hoisted near Molasses Reel with the British flag at half-mast. In response to signals a life-boat was lowered from the tanker and on arrival alongside the schooner the mate gave the information that the captain who was found dead in his cabin with three bullet wounds had committed suicide. As there was no one on board able to navigate the vessel the crew were then making preparations to abandon her. The schooner was taken to Key West, where the crew were placed under arrest.

The coroner's jury has ordered that the first mate, V. Brackleyhurst, a Dane, of the Virgin Islands, be held on a charge of murder, and that Charles Carter, cook, and Guseppe Amore, sailor, be also held as accessories.

REV. IVAN S. NOWLAN APPOINTED TO IMPORTANT POSITION

Many of the Maritime Province graduates of Acadia University will be interested in the selection of the Rev. Ivan S. Nowlan to succeed Rev. E. Morris Ferguson as general secretary of the Massachusetts Sunday School Association. Mr. Nowlan is not only a graduate of Acadia, but was for a time on the teaching staff of the college. Later he acted as secretary of the Baptist Sunday Schools in the Maritime Provinces, in which position he did excellent work. He took a course at the University of Chicago and after his graduation went to Fort Wayne where he had a large and influential pastorate. Mr. Nowlan was always deeply interested in work among boys and men, and has, in addition to his church work, attracted considerable attention by his religious educational work among the foreign populations in the Western States. His present position is the direct outcome of his personal interest and devotion to the broadening of the religious educational life of the people generally.

BOYS' WORK NOTES

The competition in Church and Sunday School attendance for last month resulted as follows:

- First—No. 13 Baptist, leaders Clair McKenna and Ronald Prescott.
- Second—No. 1 Anglican
- Third—No. 3 Methodist
- Fourth—No. 3 Presbyterian.

The play-off in hockey between the Baptists and Methodists resulted in a win for the latter, who now hold the championship.

In basketball the leaders are now the Tabernacle and Methodist patrols.

SOCIAL HAPPENINGS

One of the most enjoyable social functions of the season was the dance and card party held Monday evening by Mr. and Mrs. J. Elliot Smith, in aid of the Ken-Wo Club and the G. W. V. A. The beautiful home of the Smiths was most artistically decorated, and the brilliant electric effects presented a very picturesque appearance. There were over a hundred present. Forty couples occupied the large parlors for dancing and in the library there were six card tables going with Whist and Auction Bridge. At 11.30 refreshments were served by the ladies and dancing and cards were resumed until one o'clock when the party disbanded. Financially as well as socially the evening was a decided success. Before separating the company warmly thanked their host and hostess for the delightful evening they had enjoyed.

Mrs. P. W. Davidson was the foyess at a ladies' Bridge on Wednesday evening.
