"MADE IN CANADA"

The 1917 Ford Coupelet \$695

f.o.b. Ford, Ont.

NEAT, trim, and carefully finished, our Coupelet is replacing the heavy, costly cars in many private garages. Its price and running charges are only a fraction of the usual. It gives better satisfaction, and there is equal pride of ownership.

Buy a Ford this spring and save money—when saving is a national duty.

THE DIFFERENCE IN THE PAY ENVELOPE

The book-keeper who gets down at 7 a.m. and gets through at 6 p.m., draws a great deal less pay than the accountant who works half the hours. It's not what you **DO** that you get paid for—IT'S WHAT YOU **KNOW**. But you must **REALLY** know. It does not do to **THINK** you know or to **PRETEND** you know. Some one is sure to "call a bluff" of this sort. Now, our business is the training of accountants—the making of expert accountants and auditors. We can make an expert accountant and auditor of **YOU**. We can help **YOU** to double your salary and at the same time cut your work in half. Look across the road or around the corner and you can pick out a man who is doing just what I say above—drawing a salary on account of what he **KNOWS**. Is he **YOU** capable of doing what **HE** can do? If you have the ability we will do the rest. Unless you are ambitious—unless you aspire to better things—our plan will not appeal to you, but if you **ARE** ambitious—if you believe yourself **CAPABLE**—we can help you to climb. Our plan covers a thorough training for expert accounting, C. A. Examinations, cost accounting and auditing work. Deny yourself a few cents a day and the sum saved will pay all we charge you. You will make a **BIG MISTAKE** if you do not investigate at least. Ask to be told about our successful members and about our plan for making you more successful.

I want to climb higher. Kindly send me full particulars of subjects underlined:

- (1) HIGHER ACCOUNTING.
- (2) MANUFACTURING or COST ACCOUNTING.
- (3) CHARTERED ACCOUNTANCY (C.A. degree).
