

Williams Talc Powder

Note the patented Hinged-cover Box

Four odors--Violet, Carnation, Rose--fragrant as the flowers themselves--and Karsi, a rich Oriental perfume. A miniature sample can of either sent for 4c in stamps.

*May we
send you
this dainty
Silver plated Vanity Box?*

Williams' Vanity Box is a dainty, handsome and durable article, made of substantial material, extra heavily silver-plated; it has a Hinged-cover, a Concentrating Mirror and French Powder Puff. Many women have written us they would willingly pay a dollar for it.

How to get the Vanity Box

Simply buy a box of Williams' Talc Powder, any odor, send us the name of the dealer from whom you bought it, the date of purchase, and ten 2-cent stamps (20 cents), and we will send the Vanity Box to you at once.

THE delicate, supersensitive skin of the child affords the most searching test of the purity and soothing effect of a talc powder.

Children, and, by the same token, sisters and mothers, brothers and fathers, find in the lightness, coolness, fragrance and mildly antiseptic qualities of Williams' Talc Powder a comfort and pleasure that ordinary talc cannot yield. That is why so many women wish to have Williams' Talc Powder with them when they are at the theatre, automobiling, traveling, shopping, etc. And this is where a Vanity Box comes in.
