The annual Athletics Banquet was held Wednesday night at the SUB. The big winners were David Harding, Donna Phillips and Joanne McLean. Dave won Male Athlete of the Year, Donna Phillips, Female Athlete of the Year, while Joanne McLean received the H. Kenneth Corbett Medal.

Joanne McLean was a member of the 1980 Red Sticks Field Hockey team which won the AUSA Championships and finished 3rd at CIAU Championships. She was also an AUSA Conference All-Star. As a UNB Red Bloomer this year, Joanne captained the team to an AUSA Championship and a fourth place finish at the CIAU's. She was selected to the All-Star team at CIAU Championships in Guelph.

Donna Phillips, member of the 1980 Red Sticks, was unable to pick up her award as she had left for Argentina with the World Cup Field Hockey Team. Here at UNB, Donna was AUSA Conference All-Star and the second highest scorer in AUSA Western Division. Donna was a member of Tournament II at CIAU Championships. At the championships, Donna scored eight goals in five games, including both

goals over University of Toronto, to force a tie breaker for second place.

Dave Harding had the honor of being the first to receive the new Labatt Shield. Dave was the least scored against soccer goalie in Canada in university play. Dave played with the N.B. Drydock team, who won the Canadian National Title and on the UNB Red Shirts, who won the CIAU championship. Selected to AUSA All-Conference team and All-Canadian CIAU for the last two years, Dave also found time to be president of the Phys Ed and Recreation Society, trainer of the Raiders Basketball team and co-ordinator of the intramural soccer program.

The H. Kenneth Corbett Medal was donated to the university by alumnus Garnet Copeland who named it in honour of a fine athlete and close friend from the class of 1936. It is awarded to an all-round athlete in any year.

The Colin B. Mackay Shield for top female athlete was donated in 1965 by Patricia Pickard, a 1964 graduate of UNB who is now director of

athletics at Laurentian University. In 1974, the Board of Governors named the award for a former president of UNB. The shield is awarded to an outstanding athlete in her final year, and her leadership, attitude and skill level over a several year period are taken into account.

The awards winners for top female/male athletes and the H. Kenneth Corbett Medal are chosen by a committee composed of the president of the university, the president of the SRC, the co-ordinator of women's athletics, the co-ordinator of men's athletic and the dean of physical education and recreation.

All players on varsity teams are rated by their coaches at the close of the season. The ratings are "A" for outstanding, "B" for a steady, reliable athlete, and "C" for staying on the team. Athletes rated A for one year or B for two years of play are awarded letters. After four years, an athlete who received at least three A ratings and one B is awarded a scroll for distinction.
