

One killer of a car contest

Paramount Pictures sent us our Christmas presents early, and we think they're so wonderful (the presents) we've decided to extend the spirit of the gesture and pass the gifts along to you. We've got key chains and posters and bumper stickers and double passes, and they all bear in one subtle way or another a relation to Paramount's latest release, *Christine*. Now, *Christine*, as you may not know, is based upon schlockmeister Stephen King's *Christine* (strangely enough) AND is also the latest in a long tradition of killer movies.

- Just answer these questions correctly, and you could be a big winner:
- 1) Stephen King lives in
 - a) Bangkok
 - b) Bangor
 - c) idle richness
 - 2) Stephen King's wife
 - a) also writes novels
 - b) has borne atleast 18 of King's countless children
 - c) lives in Bangor
 - d) a, c, and d.
