With reference to the above, I
to explain that as I was in Canada
at the time I remembered that there was
nothing like this in the list of the Agency
and as the same was coming I did
not care to run the risk of not having
any at all during this important work
without authority, and the understanding
that if a copy was sent in this form
the Dept. has then would take the work
back, and as as the above was copied
I trust you will kindly approve the
matter in any manner.

I have the honour to be

The Indian Commissioner
Regina
Canada

Yours obedient servant
W. L. L. L.
Chief Clerk
