Sir,

With reference to your letter of the 25th ultimo, and previous correspondence, in connection with the requisition made by the Agent R.N. Wilson for additional heifers for the Blood Reserves, when he was holding a number of animals as a "Departmental herd", instead of issuing them to Indians in need of cattle, I have to request that you will kindly state when the copy of the report of the 1st October, 1900, made by the late Agent Mr Jas. Wilson, and which you state was forwarded, was sent to Headquarters. Be good enough to give the date of the covering letter. No trace of this report having been received here can be found.

Your obedient servant.

Secretary.

Hon. D. Linn,
Indian Commissioner,
