

Monday 24 -  
Started 5.45 - fine morning  
Sun visible but rain  
rapids all morning - all after-  
noon - heavy water, had to  
portage twice & walked over  
small - camped 7<sup>th</sup>

Tuesday 25 -  
left at 5 left 120  
many rapids - arrived  
Niagara Falls 7.35 -  
to the falls in afternoon -  
made by the river -  
a small building from town  
left at 7.35 - arrived  
Page at 10.30 -

Waterfalls  
on the Albany  
In the night beginning at a  
point a quarter of a mile

below the foot of the Falls  
known as Whirlpool falls  
~~with a narrow~~ down stream  
a distance of 1/2 mile  
very difficult to get to  
from the river - thirty  
square miles -

Wed 26 July
