

1849.]

MARCH.

[31 Days.

To cure Corns.—Scrape the corn so as nearly to cause it to bleed; apply a salve composed of calomel and lard; renew the application three or four times a week; keep the feet clean, and wear loose shoes.

Never keep your cattle short: few farmers can afford it. If you starve them they will starve you.

First Qr. 1st, 7h 4m eve.

New Moon 24th, 9h 7m mrrn.

Full Moon 8th, 8h 3m eve.

First Qr. 31st, 1h 59m mrrn.

Last Qr. 16th, 7h 40m eve.
