Forty-three Years' Record.

The Mutual Life of Canada has established and conducted its business for nearly half a century, on the ideal principle of mutuality.

They have so managed their investments during that time that not one dollar of the policyholders' funds has been lost.

On an average they have paid \$300,000 every year for 43 years to policyholders and beneficiaries.

In the same time they have acquired assets of over \$20,000,000 and a surplus by the Government standard of nearly 4½ millions.

They have built up an insurance business amounting to \$77,921,144.00.
