Sewer Pipe	Cast Iron Pipe
Brass and Bronze	Lubricating Oils
Castings	Boiler Purger
Brass work for house services	Rubber Valves, etc.
Lead Pipe	Iron Valve and stop-
Stop Valves	Cock Boxes
Special Castings	Iron and Steel
Crushed Stone	Lake Gravel
	Curbing and Scantling.

Contents of envelopes containing tenders must be plainly marked on the outside. Specifications may be seen and forms of tenders obtained at the office of the City Engineer, Toronto.

The usual conditions relating to tendering, as prescribed by City By-law, must be strictly complied with.

A marked cheque, payable to the order of the City Treasurer, Toronto, or a cash deposit of 2½ per cent. of the amount tendered for, must accompany each and every tender, or otherwise it will be ruled out as informal.

The lowest or any tender not necessarily accepted.

THOS. URQUHART, Mayor,
Chairman of the Board of Control.

Toronto, Nov. 14, 1903.

Sealed Tenders

Will be received by the undersigned up till noon of **WEDNESDAY, DECEMBER 23rd**, for all trades except plumbing and heating required in the erection of an Apartment House in Simcoe Street, Toronto.
The lowest or any tender not necessarily accepted.

F. S. BAKER, Architect,
Mail Building, Toronto.

TO BRIDGE CONTRACTORS

Sealed tenders will be received by the City Clerk, St. Catharines, Ont., until 4 o'clock p. m. on **MONDAY, THE SEVENTH DAY OF DECEMBER NEXT**, either separately or in bulk, for Steel Superstructure, Concrete Piers and Abutments and Earthwork Approaches of a Steel Bridge over the Grand Trunk and Niagara, Toronto and St. Catharines Railway on Queenston Street, in the city of St. Catharines.

Plans and specifications can be seen at the Engineer's office, St. Catharines. A deposit of 5 per cent. must accompany each tender. The lowest or any tender not necessarily accepted.

R. E. SPEAKMAN,
City Engineer,
St. Catharines, Ont.

CONTRACTS OPEN.

CHATHAM, ONT.—The city council will issue \$50,000 of debentures.

BARRIE, ONT.—The Barrie Carriage Company purpose erecting a new building.

HARROW, ONT.—William Snider has purchased property on Wellington avenue on which he will erect a residence.

SHERBROOKE, QUE.—It is the intention of George Long, sash and door manufacturer, to erect a large new factory.

PORT HOPE, ONT.—Indications point to the early commencement of work on the erection of the new armories.

CHATHAM, N. B.—John McNaughton is talking of building a flour mill on the Wipslow farm, Black River, to cost about \$7,000.

VICTORIA, B. C.—It is understood that H. J. Cambie, C. P. R. engineer, will immediately prepare plans for the new wharves to be built here.

GALT, ONT.—Plans prepared by W. & W. Stewart, architects, of Hamilton, have been accepted for a new Collegiate Institute building in this city.

MORDEN, MAN.—The by-law granting exemption from taxation to the Manitoba Cement Co. was carried by a large majority of the ratepayers.

KINGSVILLE, QUE.—La Fondarie de Thetford, capital \$30,000, will establish a foundry and machine shop here. J. Lemieux is one of the promoters.

BOCABEC, N. B.—P. G. Hanson and G. K. Greenlaw have purchased the mill property of R. B. Hanson and purpose making a number of improvements.

BRUCEFIELD, ONT.—William Dickson has purchased the site on which the burned hotel stood and it is understood will erect a building thereon.

CALGARY, N. W. T.—It is understood that Roderick J. Parke, of Toronto, has reported to the council on a scheme to furnish electric power to the city.

SYDNEY, N. S.—The Acting Minister of Railways stated when in Sydney last week that the erection of a new station here would be commenced immediately.

COLLINGWOOD, ONT.—The Western Lakes Transportation Company contemplate building or purchasing another steamer for the lake freight trade.

HOPEWELL HILL, N. B.—The districts of Riverside, Albert, Chester, Beaver Brook and Midway are to be amalgamated and a central school erected at this place.

NEWMARKET, ONT.—Hon. E. J. Davis, Commissioner of Crown Lands for Ontario, has purchased the property here of the late V. Devine and purposes remodelling it.

GRANBY, QUE.—The contract for the completion of the Catholic church will not be awarded until after the new year, and building operations will be started in the spring.

FREDERICTON, N. B.—Plans have been prepared for a gymnasium for the University of New Brunswick, to be 40x80 feet and to cost \$7,000. It is expected that work will be commenced next spring.

LENNOXVILLE, QUE.—Bishop's College will at an early date commence the erection of a library, made possible by the grant of \$5,000 by the Provincial Government and contributions by friends.

ST. JOHN, N. B.—The superintendent of the Provincial Lunatic Asylum has recommended certain improvements to the building, including alterations to the sanitary arrangements and providing of new wards.

STRATFORD, ONT.—The Agricultural Society are considering the erection of new buildings to cost about \$5,000.—The county council will meet on December 2nd to decide upon a system of improving the county roads.

WOODSTOCK, ONT.—Leishman, Maundrell & Co. and the Clarkson Bros. Co. have amalgamated under the name of the Woodstock Lumber Co. The new company will build a modern three-storey factory for the manufacture of building material.—A movement is on foot to build a new city hall.

EDMONTON, N. W. T.—McDuggall & Secord contemplate the erection of two new business blocks here next year.—W. S. Dwinell, of Minneapolis, is said to have completed arrangements for the erection of a large saw mill here, work to be commenced this winter.
