TELEGRAPHIC.

AFGHANISTAN.

Calcutta, December 18.—Gen. Bright reports that the hill tribes attacked Gen. Gough on the 16th instant. Gen. Bright is sending forward reinforcements. Baker telegraphed from Cabul on the 15th that his troops are in excellent spirits, but gave no other news.

Lahore, December 18.—The Gazette asserts that Gough's brigade has taken refuge in the fort at Juglulluk. Several thousand Ghilzais are threatening it, and throwing up defences on the hills. Gough has only six days' provisions.

Bombay, December 18.—Details of the fighting at Cabul show that the people in the city and the villagers vie with each other in murdering and mutilating stragglers and wounded men of the British army, some being actually murdered within 200 yards of the wall of Shikarpur.

London, December 18.—The Pall Mall Gazette asserts that Yakoub Khan's buried treasure, recently recovered at Cabul, was all in Russian gold and some of the Afghan regulars were dressed in Russian uniforms, which in many cases had the Russian eagle on the buttons.

London, December 19.—The state of feeling at the War and Foreign Offices today is one of almost utter consternation. Lord Napier has been summoned from Gibraltar by telegraph to consult with the War Office. The opinion prevails that not only is General Roberts in danger of destruction with his whole army, but that a general mutiny may be expected in India.

A Calcutta dispatch says that in consequence of the exceptionally heavy loss of superior officers in the recent conflicts in Afghanistan, the Indian Government has asked for volunteers, and a despatch goes forward to England to-day, making this known. The Government more especially desires good staff officers, and those skilled in transportation and commissary service. Preference will be given to young and smart officers, and tempting offers of promotion will be held out to them.

Calcutta, Dec. 19.—Gen. Gough left Jagdalak on the 12th for Cabul. Col. Norman, with two native infantry regiments, left Jelabat with Gough's command, who, up to yesterday, had encountered no serious opposition. A dispatch from Roberts, Dec. 13th, says he is at Shikarpur, and able to hold his own.

Gough's advance from Jagdalak has been delayed by scarcity of supplies. Convoys will be dispatched daily from Gmdamuk.

New York, December 21.—The Tribune's cables say that the Afghan disasters excite general alarm and consternation. The Queen is reported as greatly distressed, and she publicly blames Lord Lytton for suppressing and distorting information. The best authorities on Indian affairs say that Roberts was utterly ignorant of the enemy's preparations, and was obliged finally to fight his way round Cabul to Shikarpur Cantonment, where he is completely surrounded. Roberts' position is extremely critical, but he may hold out if a supply of water is secured. Fuel is abundant, but forage is scarce. It is expected that Roberts will be compelled, within a month, to fight his way through the enemy. There is no possibility of reinforcements advancing before February, the transport service being deficient. The German staff derides the inability of the Indian Commissariat Department and regards Roberts' position as most critical.

The Queen considers the mistake so grave that it is reported she is disposed to abandon the Ministers of the Afghan Policy.

London, December 22.—The Viceroy of India telegraphs that Gen. Bright reports the movements of reinforcements all along the line. Gen. Gough marched yesterday for Cabul. Azmatullah Khan, Ghulza, chief of Lajmatar, who led the tribes in the recent engagement with Gen. Gough's command, is reported wounded, and his followers are deserting him. Reinforcements have been sent to Daska in consequence of the report that the Mohammads are assembling.

London, December 22.—The St. Petersburg Gazette says the Afghan revolt is due to the cruelty of the English victors. It charges Roberts with gross cruelty towards the Afghans.

IRELAND.

Rome, December 20.—The Vatican has congratulated the Irish clergy on their attitude in reference to the political agitation in Ireland.

London, December 20.—The Duchess of Marlborough has asked the Lord Mayor of London to induce wealthy citizens to contribute to the relief of the starving poor in Ireland. She expresses a fear that the distress will be terrible unless private benevolence assists.

New York, December 21.—The following has been received here: "Queenstown, December 21.—Parnell and Dillon have just sailed. Land League commissions them to receive assistance for the relief of distress, which the League will distribute. The distress is very pressing."

"(Signed) LAND LEAGUE, Dublin." Dillon is a prominent Dublin barrister. It is considered certain that Gilmore's Garden will be engaged for the reception. An admission fee will be charged and the proceeds forwarded to Ireland.

London, Dec. 22.—Parnell, previous to his departure for New York yesterday, said he hoped that the results of his visit to the United States would be to show that the hearts of Americans would beat warmly towards Ireland. He said that if Davitt was put on trial, or if repressive measures were introduced in the House of Commons before the 1st of March, when he intended to return, he would return immediately.

NEW BRANCH.—Mr. T. A. Bourke, of Windsor, Superior District Deputy of the Catholic Mutual Benefit Association, organized a branch of that Order at Strathroy yesterday.

SEE WHAT THE CLERGY SAY.

Rev. R. H. CRAIG, Princeton, N. J., says: Last summer when I was in Canada, I caught a bad cold in my throat. It became so bad that often in my sermon my throat and my tongue would become so dry I could hardly speak. My tongue was covered with a white parched crust, and my throat was much inflamed. An old lady of my congregation advised me to use the Shoshonees Remedy, which she was then using. The first dose relieved me, and in a few days my throat was nearly well. I discontinued the use of it, but my throat not being entirely well, became worse again. I procured another supply, and am happy to say that my throat is entirely well, and the white crust has entirely disappeared. I wish that every minister who suffers from sore throat would try the Great Shoshonees Remedy.

Rev. Geo. W. GROUT, Stirling, Ont., says: Mrs. Georger Francis was severely afflicted with Kidney disease, and been under the care of three physicians without any beneficial result. She has since taken four bottles of the Shoshonees Remedy, and now enjoys the best of health.

Rev. T. C. BROWN, Brooklyn, Ont., says: My wife was very low with lung disease, and given up by her physician. I bought a bottle of the Shoshonees Remedy, and at the end of two days she was much better. By continuing the remedy she was perfectly restored. Price: One bottle in pint bottles, \$1; Pills 25 cents a box. Sold by all medicine dealers.

There are generally three classes of persons in all congregations. Some are pronounced friends of the pastor; some oppose him. Both serve to keep things in a state of ferment, and are frequently the causes of scandals. The third class are those who respect the priest for the sake of his office; support him in all works for the honor and glory of God and the advancement of religion. These are truly the friends of God and of His Holy Church.

A GOOD PLAN.

Anybody can learn to make money rapidly operating in stocks, by the "Two Operating Rules for Success," by Messrs. Lawrence & Co.'s new circular. The combination method, which this firm has made so successful, enables people with large or small means to reap all the benefits of largest capital and best skill. Thousands of orders, in various sums, are pooled into one vast amount, and operated as a mighty whole, thus securing to each shareholder all the advantages of the largest operator. Immense profits are divided monthly. Any amount, from \$25 to \$25,000, or more, can be used successfully. N.Y. Register Weekly September 20th, 1878, says, "By the combination system \$15 would make \$75, or 5 per cent; \$50 \$250, or 5 per cent; \$100 makes \$150, or 5 per cent on the stock, during the month according to the market." Frank Leslie's Illustrated Newspaper, June 29th: "The combination method of operating in stocks is the most successful ever adopted." New York Independent, Sept. 12th: "The combination system is founded upon correct business principles, and no person need be without an income while it is kept working by Messrs. Law's." Our editor made a net profit of \$100 from \$25 in one of Messrs. Lawrence & Co.'s combinations. New circular (mailed free) explains everything. Stocks and bonds wanted, government bonds supplied.
