

House having taken the same into Consideration ;

*Resolved*, That a Conference be held thereon with His Majesty's Council, by Committee, and a Conference having been held accordingly ; the Committee of this House reported, that it had been agreed upon in the said Conference, to prepare a Bill to prevent as much as possible the Evils complained of.

Resolution thereon.

*Order'd*, That the Resolution of this House of the 13th June, on the Estimate laid before the House by his Excellency the Governor, be sent to his Majesty's Council for their Concurrence.

Order concerning Resolution of the 13th.

A Memorial from Dr. *Reeve*, was presented to the House and read, setting forth, that he has attended a great Number of poor sick People in the Poor-House, for the Year past, and administred Medicines to them ; and the House having taken the same into Consideration.

Memorial from Dr. *Reeve*.

*Voted*, That there be paid to Mr. *Reeve*, the Sum of Sixty Pounds for his said Services and Medicines supplied.

Vote thereon.

*Resolved*, That this House will not for the future make any further Allowance to Mr. *Reeve* for such Purposes.

*Order'd*, That he be acquainted therewith.

Mr. *Butler*, from the Committee appointed to examine the Public Accounts, reported that the said Committee had fully inspected and gone through the same, and find the State thereof to be as follows, *viz.*
