COUNTERFEITERS AT WORK.

Health and Life Endangered by Unscrupulous Dealers Who Persevere in Unscrupulous People to Take Imitations—Some Pointers Worth Remembering.

No medicine that is not of more than ordinary merit suffers from imitations or substitutes. The fact that an imitation is offered is one of the strongest proofs of the excellent qualities of the genuine article.

The Dr. Williams' Pink Pills are continually trying to impress upon the public the fact that Dr. Williams' Pink Pills are only sold in securely sealed boxes, the wrapper around which is printed in red ink and bears the registered trade mark "Dr. Williams' Pink Pills for Pale People."

Notwithstanding this constant warning there are unscrupulous dealers here and there who defraud the public by selling an imitation pill (also colored pink) either by the dozen, hundred or by the ounce, alleging that they are "just as good" or "just the same" as the genuine Dr. Williams' Pink Pills.

This is a falsehood and the unscrupulous dealer who offers the imitation knows it, but is more concerned for the extra profit he makes on the imitation than for the health of his unfortunate victim.

Will the public, in their own interest, bear in mind the following facts.—Dr. Williams' Pink Pills are never sold by the dozen, hundred, or ounce. If any dealer offers you a pill in this form (no matter whether colored pink or not) he is trying to cheat you and should be avoided.

The formula of Dr. Williams' Pink Pills is a secret, and is known only to the company. Therefore if some dealer tells you a substitute is "just the same" or "just as good" he is simply trying to deceive you because there is a larger profit for him in selling the imitation.

When you ask for Dr. Williams' Pink Pills see that the trade mark is on the wrapper of every package, and do not be persuaded to take anything else, no matter how plausible a story the dealer may tell. Imitations in medicine are always cheap, always worthless and often dangerous, and people who have a care for their health will always refuse them.

Dr. Williams' Pink Pills cure when other medicines fail. That's why they are imitated, and that's why you should insist on getting the genuine. Used as an spring medicine Dr. Williams' Pink Pills surpass all other medicines. If feeling "out of sorts" give them a trial.

To Down Spooks.

A wealthy bachelor declared that a horrid hag had glared at him through the night. His friends laughed at him but he insisted that the house was haunted. He grew ill, complaining of extreme heaviness in the stomach, his appetite failed, he grew sallow, emaciated and despondent, believing he was going to die, the spook being a warning, and declared he could hear funeral bells ringing in his ears, and even hinted at suicide. A friend induced him to use Dr. Pierce's Golden Medical Discovery, and he rapidly grew well, spooks and all his distressing symptoms disappearing. A torpid liver and dyspepsia caused his suffering and the medicine cured both.
