## THE WALTHAM CONVERTIBLE BRACELET WATCH

IS easily the first favorite with the ladies. Why? Because of its dainty beauty and abiding accuracy. But that is not all. It appeals to the ladies also because of the many different ways it can be worn. On the case is a little "eye" that folds back snugly against the case when it is desired to wear the watch on chain, brooch or ribbon. You really ought to see this beautiful watch and we shall be pleased to show it to you at any time.
