

## Injured at Guelph

**Charles Brown, Formerly of This City, Met With Accident**

What may prove to be a fatal accident occurred yesterday at Guelph when Assistant Chief Chas. Brown of the Guelph Fire Department, was thrown under an upturned sleigh and injured internally. The department was answering a call and Brown was riding on the horse sleigh. While turning a corner the sleigh tipped over and the sleigh was thrown under and the driver of the horse wagon was also hurt.

Assistant Chief Brown was a former member of the local fire department having gone to Guelph to take the position of assistant chief. He is at present lying in the Guelph General Hospital in a precarious condition.

The committee is formed as follows: H. E. Rose, W. J. Feldcamp, Geo. Mosely, W. V. Patterson and Geo. H. Roper. The first meeting of the body takes place to-night when past achievements will be reviewed and arrangements made for future events.

### D Co's Won 2-0

A very interesting game of football took place last evening at the armories when D and H Companies met in the semi-finals of the cup tie. In ten minutes from the start D Co's scored their first goal through McLeod, and five minutes from half time, Vining put another in after a scrimmage having ensued in front of the goal. When D Co's found they had a substantial lead, they opened the second half by acting more on the defense. No scoring occurred during the second half, with the game standing 2-0 in favor of D Company. The game throughout was very fast and clean. Mr. Smith refereed the game very satisfactorily. D Company will play in the final game on Wednesday, March 4th at 9 p.m. and all supporters are requested to be present.

### Mail Via New York

People have from time to time imagined that their letters for England marked via New York, have not been sent that way. In answer to inquiries, however, Postmaster Raymond stated that all mail so marked is sent direct to New York with that city's mail and caught the first steamer from that city. If letters are not expressly marked, they are sent to Hamilton where they are made up and sent direct to outgoing steamers from Montreal and Quebec.

### Funeral of Thomas McCormack

The funeral of the late Thomas McCormack took place this morning from St. Mary's Church to St. Joseph's cemetery. The Rev. Father Padua conducted solemn services, which were participated in by a large number of sorrowing friends. Numerous flowers bore evidence of the esteem which was held for the deceased. A long procession formed the cortege and the pallbearers were: H. O'Connell, C. Kerr, P. Powers, B. Hawkins and T. Luttery.

## Want Reduction In License Fee

Local Moving Picture Men Again After the City Council.

The moving picture theatre men will again wait on the City Council and ask for a reduction in the recent license fee of \$300. They claim it is entirely too high; in fact it is exorbitant as compared with license fees charged the motion picture houses in other cities, much larger than Brantford. Some years ago the civic authorities were asked to put the price up in order to prevent the establishment of too many picture houses here. Since then knowing the fee and conditions, new proprietors have come in. There is likely to be considerable argument when the matter comes up. The proposal to reduce the fee was voted down last year.

## OLD HOME WEEK EXECUTIVE DOWN TO REAL BUSINESS

Arrangements Made Last Night in Earnest—Publicity Committee Granted \$500 to Proceed with Work Immediately.

The Executive of the Old Home Week Association met last night in the Council Chambers at which most of the committees were represented. President Geo. Ward stated that he had been speaking to a number of the citizens and all had expressed themselves as thoroughly in sympathy with the proposed Old Home week and he was sure that everything would be a success.

Ald. S. Pitcher chairman of the Finance Committee stated that the members of his committee had been assigned routes to canvass for money. He did not think that the money would be hard to raise provided that the various committees did not overstep themselves. With the City Council's grant, which he hoped would be liberal, he thought that the money would not be hard to raise. The Finance committee is hoping that the hotel keepers will respond with a liberal subscription.

Chairman McBride of the Publicity Committee estimated the cost of the advertising of the celebration at \$500. He said they could keep well within that amount of money.

Mayor Spence thought that the

executive would get \$1000 from the city council.

It was moved by Joe. Minshall and seconded by Ald. Ryerson that the Publicity Committee be granted \$500. Carried unanimously.

It was unanimously decided to close the Old Home on Friday night, Aug. 14th. This was done in order to clean the city up and allow the holding of the weekly market.

Ex-Ald. Joe. Minshall was elected to fill the vacancy in the vice-presidential chair.

Dr. Ashton was appointed chairman of the Parade's committee.

The Treasurer was given power to pay out money upon receipt of an order signed by the President of the Association, the chairman and secretary of the Finance.

J. F. VanLane, chairman of the fraternal committee asked the executive if they intended to have a fraternal day or not.

He wanted to know now, because the lodges wanted to put off any of their celebrations until that time.

It was unanimously decided to give the fraternal societies one day to be decided on later.

Ald. T. E. Ryerson, Chairman of

the decoration committee stated that it would cost \$500 to put up an arch and considerably more to complete the decorations.

What was needed the most in this city was an effort by the merchants and the occupants of the homes. People of Brantford do not know what it is to decorate and they should make an effort to decorate their homes.

The matter of the adoption of colors for the Old Home Week was left over until next meeting.

A committee room in the Temple building was rented at the rate of \$12 a month for six months.

The question of a contract with a midway show for that week brought up a considerable amount of discussion by members of the executive.

Mr. McBride objected strenuously to having a large midway centered on the market square. He said he would never consent to selling the market away to a big show and letting them take away Brantford money with them. Mr. McBride was about the only one who objected as the other members were of the opinion that some attraction of that kind was necessary.

The finance committee was given power to go ahead and close a deal with some carnival company.

Those present were: President Geo. Ward, C. A. Waters, T. J. Nelson, Arthur Pitcher, Ald. W. A. Robinson, J. Kelley, Sec. Frank Blair, Ald. T. Ryerson, Ald. Pitcher, Geo. D. Watt, Fred Eastman and M. McBride.

Labor men in Montreal protest against the dilatory handling of important questions by the Department of Labor, and regret that no responsible labor men were consulted by the Commission on the High Cost of Living.

## Echo Place is Visited by Fire

Fire destroyed the house belonging to Mr. J. McConkey, Echo Place and occupied by Mr. J. Finn, about 3.30 yesterday afternoon. A telephone call was sent into the East Ward fire department, but they were helpless to give any aid on account of the distance from the city limits.

The fire is supposed to have started from an overheated stove in the parlor. It spread rapidly and had too much of a start to be stopped. Some of the contents were saved but the loss will be heavy. There was no insurance.

## Canoeists On Grand River

It is Said That Channel Will be Deepened

Brantford canoeists may look forward to better conditions in the Grand River. In recent years the water in the river has been so low as to prevent trips up and down the river during the most of the summer months. The Ontario Government has completed topographical surveys and among the plans formulated is the deepening of the river channel. It is thought that navigation by canoe will be given an impetus once more, and to those who take delight in this form of communion with nature along the Grand, the announcement will be received with interest.

## PRESSING NEED FOR MORE FUNDS

Only One Contribution Received in Last Few Days.

Demands upon the funds of the Associated Charities are steadily on the increase, and the disbursements since the last statement from the treasurer, Mr. H. T. Watt, have amounted to \$174.86, while only one contribution, of \$5, has been received, that being from Mr. Jos. H. Han. The committee absolutely needs more money, as the work is very pressing. The long, severe spell of cold weather has put numerous families in very reduced circumstances, and additional help is required.

## FIRE DESTROYS 400 CHICKS IN BROODER

Explosion of Coal Oil Lamp Cause of Serious Blaze at O. A. C. extinguished by Students.

GUELPH, Feb. 26.—A fire in one of the brooder houses at the Ontario Agricultural College destroyed nearly 400 chicks. A coal oil lamp exploding was the cause of the fire. When the college alarm was turned in the entire student body turned out and after an hour's hard work succeeded in subduing the flames. The main poultry building narrowly escaped catching fire several times.

Dr. D. S. Hoig of Oshawa, in the midst on the death of three section-men near Whitby Junction, criticized the lack of first aid appliances on Grand Trunk trains.
