THE PROBS

Probabilities. Moderate northerly winds; fair, with much the same temperature today as on Tuesday.

A STRONG FORCE

BRUSSELS, Belgium, Aug. 3.—It is estimated 100,000 German soldiers have occupied the territory of the Duchy of Luxembourg, and are massed along the French frontier.

A GERMAN ACCUSATION

LONDON, Aug. 3.—Telegrams from the chief of the German general staff received at the German embassy here assert that a French doctor, with two assistants, tried to poison the walls near Metz with cholera microbes. The doctor was tried by court martial and then shot.

Mourn the Loss

Mr. and Mrs. John Power of 183 Clarence street, mourn the loss of their infant child, William, who passed away this morning at the Market and Dalhousie streets. He was cycling across the car tracks when his brake failed to act, and he was in danger of running into a passing car. Jumping from the wheel, he was flung to the ground, and the machine collided forcibly with the car, but was picked up little the worse for the impact. Gordon escaped with slight bruises and was able to ride away.

Averted Serious Accident.

ALL PARTIES UNITE

LONDON, Aug. 3.—The Evening Standard says there is every probability of the formation of a coalition government in the British Isles to tide over the present crisis. Andrew Bonar Law, the Marquis of Lansdowne and Arthur J. Balfour, three opposition leaders, were in consultation with cabinet ministers to-day.

STEAMER SEIZED

NOVRACYSK, Russia, Aug. 3.—The Russian authorities here to-day seized the German steamer Atlas and ordered the crew to disembark. They also sent vessels in pursuit of a German steamer which left the port yesterday.

STRICT MEASURE

LONDON, Aug. 3.—It is regarded here as assured that shortly following the royal decree of Sunday suspending specie payments, another decree declaring a Moratorium will be issued.

SITUATION IN PARIS

PARIS, Aug. 3.—All telegrams were refused at the post office in Paris for a period to-day, and it is assumed that the difficulties in the transmission of news and private despatches will rapidly increase. The concentration of the French troops in strategic positions along the frontiers and the operation of the military train service have been carried out to the complete satisfaction of the military authorities. The pillage of a German jewelry store in Paris and other incidents of a more or less grave nature, particularly raids against the stores of those merchants who have raised the prices of necessities caused the prefect of police to-day to placard an appeal to citizens to maintain order. Vigorous measures are to be taken against any dealers raising their prices to exorbitant rates.

FRANCE IS GETTING READY

PARIS, Aug. 3.—Martial law has been declared throughout France and Algiers. Baron von Schoen, the German ambassador, had another interview with Premier Viviani Sunday afternoon. Reports concerning military concentration in France are most satisfactory.

TWELVE MILE FROM BELGIUM

BRUSSELS, Aug. 3.—According to the newspaper Etoile Belge, German troops have reached Vise, on the River Meuse, only 12 miles northeast of Liege, Belgium.

FRENCH CROSS FRONTIER

BERLIN, Aug. 3.—French soldiers crossed the frontier last night at Laschulucht, a small village in the Vosges Mountains. Shots were fired on the German post, but no damage was done.

LONDON, Aug. 3.—It is reported that the German fleet has passed through the Kiel canal and is steaming in a westerly direction. Despatches from all the British colonies report the proclamation of precautionary measures of various kinds, principally affecting harbors and shipping.

MINOR CLASHES

ALLENSTEIN, East Prussia, Germany, Aug. 3.—The fighting on the Russian frontier was confined to small engagements between cavalry outposts until 6 o'clock last evening, but an attack was then made by the Russian invaders on Johannisburg, which is occupied by a squadron of the Eleventh Polesian Dragoons. The railroad from Johannisburg to Lyck on the Russian frontier has been cut and also the light railroad running to Blootown. The losses of the Rus-

Several Hostile Air Craft Have Been Observed Over Rhine Provinces

BERLIN, Aug. 3.—German troops yesterday fired upon and brought to earth a French flying machine near Wesel.

Saturday night several other hostile air craft were seen in the Rhine provinces. One was observed flying from Deprieh in the direction of Andernach, 10 miles northwest of Coblenz. Others were sighted near Duere, flying in the direction of Cologne.

A hotelkeeper in Koehen and his son tried to blow up the Prussian state railroad tunnel at Koehen. Their attempt failed and the men were shot and killed.

Wesel, where the aeroplane was shot down, is about 140 miles from the northeastern frontier of France.

While a train was crossing a bridge at Thorn yesterday a passenger tried to throw a bomb from the window of a coach, probably with the hope of destroying the bridge. He was arrested.
