One of the most enjoyable evenings of the Kentville Musical Club was held at the residence of Rev. A. R. Donahoe, March 27th. A very instructive and brilliantly written paper was delivered by the Rev. Father on "Classic and Romantic Music" after which followed a lengthy program of instrumental and vocal music from such classic composers as Chopin, Mendelssohn and Schumann. One of the pleasing features of the evening was the vocal selections by Miss Donahoe of Halifax, her sweetness and power of tone completely captured her audience. Mrs. S. L. Cross read the "Current Musical Events." All of the eighteen numbers rendered were so excellent it would be impossible to specialize.

It is difficult to please a particular woman with a poorly built shoe; for this reason we recommend the "Empress." It is perfect in every detail, material, workmanship and design. We carry a complete stock of "Empress" Shoes for Women.

BASKET BALL

On Tuesday evening April 3rd the Pastime Theatre was the scene of a most interesting and exciting game of Basket Ball, the contesting teams being Port Williams and K. C. A.

This was return game and resulted in another victory for K. C. A. the score being 21-9. In spite of the stormy night and bad condition of the roads the Port girls arrived on time, showing their true spirit in sport. Mr. J. Roy Hiltz and Mr. C. Crowl refereed very satisfactorily.

After the game the winning team was presented with a box of choice chocolates by Mr. Shirley Whitter. The K. C. A. team is establishing quite a record for itself.

The line up was as follows:
Port Williams K. C. A.
H. Kidston centre K. Lightle
L. Chase forward B. Hartvie
P. Lingley forward P. Young
Q. Regan guards H. Kinsman
M. Faulkner guards D. Redden.
