## Rebuilding a building to rebuild lives!

ON November 30th last, the Muskoka Free Hospital for Consumptives was destroyed by fire.

On January 14, this year, Sir William Gage, founder of the institution—the one man who had contributed most largely to its support,

and for twenty-five years the outstanding friend of needy consumptives—died.

To-day, more than ever before, poor, suffering consumptives need your assistance.

Give—give all you can—to the National Sanitarium Association's

### Consumptives' Emergency Million Dollar Fund

The Muskoka Free Hospital for Consumptives, destroyed by fire on November 30th last, must be replaced by buildings, larger and fireproof.

Accommodation is needed at the Muskoka Free Hospital for 400 adults in early stages of the disease. This will restore 250 of them to their homes and loved ones—cured. The remainder will be greatly benefited.

A few months for each patient soon means thousands cared for.

Funds are urgently needed for this work.

Again—adults in advanced stages must be treated at the King Edward Sanitarium, on the banks of the Humber, near Weston. Extensions are necessary. Many of these patients can be saved.

And again—kids children—stricken with the dread disease—must be cared for at the Queen Mary Hospital for Consumptive Children, near Weston. Ninety per cent. of these are saved to

become healthy men and women.

Funds are urgently needed to cover the cost of extensions. Further, funds are urgently needed to carry on the work of The Cage Institute in the City of Toronto, where the needy poor come for free examinations, including X-ray, and for medical and nursing assistance.

Fifteen thousand needy consumptives have been cared for to date at the hospitals conducted by the Association.
