### AN INTERRUPTED SONG.

The summer sky is bright and free  
Of even a zephyr's wings;  
High on the hilltop's loftiest tree  
A redbird sits and sings.

A cloud appears; the breezes rise;  
The cloud comes swiftly on;  
The lightning fills the darkened skies,  
And lo! the bird is gone.

But raging rain, and tearing wind,  
And thunderbolt pass by,  
Leaving their dripping wrecks behind.

The sun regains the day,  
And on the ruins of the tree,  
Mid shining drops of rain,  
Every success, the session was closed.

The redbird sits, and merrily  
Resumes his broken strain.

## Nickle Plated Tea Kettles

We cannot remember the time when we had as good a lot of tea kettles as the ones we have just opened up. They certainly are heavier than any we have had for a long time. They are well made, too, and the plating is so uniformly heavy.

We know you will recognize their superiority the moment you see them. We have some samples in our window.

Nickle Plated Kettles, 5 to 9, 75c. to \$2.00.

Nickle Plated Tea Pots 75c. to \$2.25.

Have you seen our new line of Bath-room fittings? They are certainly well worth your inspection.
