## "WHY GIRLS LEAVE HOME"

At Opera House Monday and Tuesday Next

For the seeker for something different in the realm of the photoplay the management of the Opera House has something special to offer next Monday and Tuesday when there will be presented for the first time in Wolfville the thrilling heart-interest photodrama, "Why Girls Leave Home". Although the theme and title of the production are from the great American stage success of the same name which thrilled theatre-goers a generation ago, the Warner Brothers, who present the picture, claim that there is not a bit of matlin melodrama in the entire story. One prominent reviewer has stated that the production struck him as "a blend of 'Way Down East' and 'Humoresque'", although the picture itself resembles neither of the two productions mentioned.

The scenario theme, production and cast are all of the very best. Anna Q. Nilsson has the stellar role and she is supported by Maurice Flowers, Corinne Barker, Dan Mason, George Lesley, Claude King, Katherine Perry and others of note.

The story deals with every home in general but for the sake of clarity presents two specific instances. One, the home of a rich merchant who indulges his daughter's every whim. The other, the home of the rich man's employee, who represses in his daughter every youthful instinct. The result is that both girls leave home and attempt to fight the battles of life alone. Later their paths cross and together they work out their own destiny in a manner which is at one time of compelling interest and at the same time true to life.

Elaborately staged and skilfully directed by William S. Nigh under the supervision of Harry Rapf, the management of the Opera House feels confident that "Why Girls Leave Home" will prove to be one of the most satisfying and entertaining photoplays they have yet offered to the people of Wolfville.

## EARL THOMSON,

Canada's star hurdler, who clipped one-fifth of a second off the world's record in the 75 yard high hurdles when he defeated Harold E. Barron, of Pennsylvania in a race at the Dartmouth-Columbia track meet. The old record was 93.5 seconds. He was representing Dartmouth College.

## GREENWICH NOTES

Miss Viola Bowes, who was our school teacher of last year, spent the week-end here, guest of Mrs. Edgar Forsythe, on "The Ridge".

Mrs. Fred Forsythe has been visiting for a time in Wolfville, guest of her friend, Miss Harriett Rand.

Mrs. Grace Andrews is visiting at the home of a friend in Halifax.

Mrs. A. K. Forsythe, who has been ill for a couple of weeks, is again able to be out and we understand resumed her duties as organist in Methodist church here on Sunday.

Mr. and Mrs. Burpee Bishop and son Philip motored to Bedford last Thursday. Mrs. Bishop and Philip returned next afternoon, Mrs. Bishop remaining in Bedford, visiting at the home of her brother, Mr. A. Cobb.

We are told our school teacher for next year has been selected, Miss Pyker, of Yarmouth.

Messrs. Murray Forsythe, Robert Bishop and Charlie Fenwick enjoyed a three days fishing trip last week.

Miss Annie Pearson entertained a number of her boy and girl friends of Wolfville, on Monday evening, in honour of her birthday.

Mr. Byron Cox is having a new addition made to his house, thus enlarging the rooms upstairs. This house, with the new exterior changes Mr. Cox has had made during the last year, does not now resemble the home of the late Mrs. Charlotte Neary.

Work on the main street here has commenced and we understand an extensive job will be "fackled" in the widening of the road through the so-called "Neary Hollow" before long. All success to that, as it is a piece of work badly in need of being done, for the safety of the travelling public.

Mr. Ernest Porter and two sons, of Wolfville, are busily engaged in moving the "big red barn", so-called, for Mr. B. L. Bishop. We hear its new location, will be just a piece to the west in the orchard. This large barn has held a slightly location for many years and a land mark for many and could plainly be seen from many places over in Cornwallis. It will be missed as "an old friend" by passers by, both on the street and the railroad near by, as well as by residents of the place.

Mr. Will Pulsifer has leased Mr. Ralph Griffin's property for a period of five years. He and his family are occupying the house, Mr. Griffin boarding with them.

News was received yesterday of Mr. J. D. Chambers of the sudden death of his brother-in-law, Rev. E. E. England, the previous day at Digby. The deceased was one of the leading ministers of the Methodist church, had filled appointments in many of the best pastorates of the Conference. He was an earnest and able preacher and a man highly esteemed. One son and one daughter survive him. His wife who was a daughter of the late James Woodman, of this place, predeceased him during their residence in Wolfville some year ago.

The remains of the late Mr. England will be buried in Wolfville on Saturday after the arrival of the train from Yarmouth.

No one should fail to hear "The Chimes of Normandy" at the Opera House on Wednesday and Thursday evenings of next week. It will be a big week in Wolfville, but the biggest event of all will be the presentation of the charming opera by a local cast. Entrancing music, bright comedy, dancing, etc. Don't miss it.

## DR. CUTTEN ELECTED PRESIDENT

Of Colgate University—Not Known Yet Whether He Will Accept

Dr. George B. Cutten, President of Acadia University, was last Friday elected President of Colgate University, Hamilton, N. Y., by the Board of Trustees of that institution. As Dr. Cutten has been away during the past week he has not given out any statement as to whether he will accept the position.

With the announcement of the choice of Dr. Cutten, the selection committee issued a statement regarding the qualifications of the new principal which reads, in part:

"Dr. Cutten will take to Colgate a wealth of experience dating back to his Yale student days when he was center on the all-American eleven. He is known not only as an educator and organizer of unusual capacity, but also as an author of numerous psychological studies; as a lecturer in various universities and as an army officer. Previous to his entrance in educational work, he filled pastorates in several eastern churches of the Baptist denomination.

"He is one of the comparatively young college executives of today, being 46 years of age. In his 12 years at Acadia University, he has effected a doubling of the institution's endowment and an increase of 65 per cent. in enrollment. Seven modern brick and stone buildings have been constructed during his administration and the University's assets have increased three-fold. Dr. Cutten's interest in athletics persists from his own college days, and he has been in the forefront of stimulating greater activities at Acadia.

"A native of Amherst, Nova Scotia, the period of his education dates from 1896 when he was graduated from Acadia with the degree of B. A. He holds degrees of B. A., Ph.D., and B. D. from Yale, D. D. from Colgate and McMaster, and M. A. and L.L.D. from Acadia. He held pastorates in Mount Louise and New Haven, Conn., Corning and Columbus, Ohio.

"Dr. Cutten's writings include many magazine articles and the following books: "The Christian Life in a Baptist Church," "The Case of John Kinsey," "The Psychology of Alcoholism," "The Psychological Phenomena of Christianity," and "Three Thousand Years of Mental Healing". He has filled the position of University lecturer at Yale, University of Chicago, Ohio State University, Colgate Rochester and Newton, besides lecturing in many university extension courses.

"During the war he achieved a record that is known from one end of the Dominion to the other. He was prevented from going overseas by an injury to his knee, suffered in his football days but as chief recruiting officer for a year and a half at Halifax and later as head of the rehabilitation department of the Halifax Relief Commission entailing the handling of \$3,000,000, he exerted himself day and night for the soldiers of Canada."

PROROGATION ABOUT MIDDLE OF JUNE

OTTAWA, May 22.—The speed with which estimates have been slipping through during the past few sittings; the imminence of the hot weather, and the fact that the budget will be down tomorrow are all combining to give credence to the optimistic rumor, now current in the corridors, that prorogation will come by June 15, instead of July first as was generally expected.

DEDICATION OF MEMORIAL BELL

An interesting feature of the services of the Baptist Church last Sunday morning was the dedication of the bell installed in the belfry a few days previously.

The Church some weeks ago decided to devote the legacy left by the late Dr. Tufts to a bell in memory of the late Professor, who for fifty years or more manifested a deep interest in everything pertaining to the welfare of the Church.

The bell was made by the McShane Company of Baltimore, M. D., and weighs twelve hundred pounds. Its tones are sweet and musical and not unlike those of the old college bell which came from the same foundry, half a century ago. The bell bears the inscription:

In Memory of JOHN FREEMAN TUFTS, M. A., D. C. L., 1843-1921

An appropriate "service of dedication" was prepared in which the large congregation heartily participated.

Miss Edith Murphy, of Port Williams, who was one of the winners in the ACADIAN recent subscription contest was in town on Saturday and received her prize—a handsome nickle eversharp pencil of which she is justly proud.

## CASTAWAY EUROPE

## MIDDLETON BEAT ACADIA

MIDDLETON, N. S., May 18—Middleton opened its baseball season here today, defeating the Acadia University team by a score of 3 to 1. That this town was baseball hungry was well evidenced by the fact that hundreds of people turned out to see the fray, and the rooting was at times intense. The game was most sensational, going right to the ninth inning before the winners managed to get the winning runs across the plate. It was a pitchers' battle until the sixth, when the Acadians scored their lone tally, Hirtle singling and galloping over on Pinney's hit for a couple of bags. This set the home team on their toes and in the seventh they tied the score, after Reagh had saved them with a grand stand running catch of a long fly. The Reagh family had a good time in this inning, V. Reagh getting a hit that scored Fisher. The eighth was scoreless and in the first of the ninth the Acadians were blanked.

Going to bat in the last of the ninth with the score still at one all, Middleton's first man up, Harlow, made first on an error by Ross, went to second on the next man's sacrifice, and was advanced to third on a single by Fisher. Fisher captured second on the first ball delivered by Brown and with three men on second and third the Reagh family gave Middleton the victory in her opening game of the season, when Victor hit a terrific line drive scoring Harlow and Fisher and ending the contest.
