"Well, sir; it looked like I was  
going to have to give up my job;  
but Tanlac kept me on the payroll;  
and, of course, I'm strong for it;  
is the striking statement of Wm.  
Cranker, 84 Louis St., Brockville;  
Ont.; who for 30 years past has  
been employed by the Canadian  
National railroad.

"My stomach went wrong 10 yrs.  
ago and then I gradually got out  
of fix in lots of ways. I couldn't  
eat or sleep to do any good for  
nervousness and indigestion had  
got to where I simply had to

drag myself to the railroad yards in  
the mornings.

"I could feel the good effects of  
my very first few doses of Tanlac  
clean to my fingertips. This was  
two years ago and three bottles put  
me in such good shape that I have  
not had to spend a cent for medicine  
since. I eat and sleep fine never  
miss a day's work any more and  
feel fine. You just can't beat Tan-  
lac."

Tanlac is for sale by all good  
druggists. Accept no substitute.  
Over 40 Million bottles sold.

TANLAC VEGETABLE PILLS for  
constipation, are recommended by  
the manufacturers and distributors  
of Tanlac.

**NEW LAMP BURNS**  
**94% AIR**

**Beats Electric or Gas**

A new oil lamp that gives an am-  
azingly brilliant, soft, white light  
even better than gas or electricity,  
has been tested by the U.S. Govern-  
ment and 35 leading universities  
and found to be superior to 10 or-  
dinary oil lamps. It burns without  
odor, smoke or noise—no pumping  
up, is simple, clean, safe. Burns  
94% air and 6% common kerosene  
(coal oil).

The inventor, J. M. Johnson, 246  
Craig St. W., Montreal, is offering to  
send a lamp on 10 days' FREE trial,  
or even to give one FREE to the  
first user in each locality who will  
help him introduce it. Write him  
to-day for full particulars. Also ask  
him to explain how you can get the  
agency, and without experience or  
money make \$250 to \$500 per month

**CROPS IN CANADA**  
**THIS YEAR ARE GOOD**

Heavy rains during the greater  
part of August, followed by warm  
dry weather towards the close of  
the month, have materially im-  
proved crop prospects in western  
Canada and have discounted the  
pessimistic reports that were  
current a month or so ago. In  
certain drought-stricken areas the  
rains came too late to bring any  
great relief, but this does not  
apply to the West as a whole,  
and indeed it is reported from  
many districts, especially in south  
ern Saskatchewan, that the yield  
shows every promise of being  
above the average. It is gratify-  
ing to note that the total damage  
done so far this season by insects  
rust and hail has been almost neg-  
ligible. Cutting is now general  
on the prairies, the first grain of  
this season's crop, three cars of  
rye from south-eastern Manitoba  
reaching Winnipeg on 15th Aug-  
ust. During the month, under  
the influence of local crop reports  
and the movement on the Chic-  
ago market, the price of wheat at  
Winnipeg rose to a high point  
but receded during the latter part  
of the month to a point slightly  
in advance of the July figures.

As a result of the improvement  
in the crop situation, a better  
feeling is now evident, and public  
opinion is against anything in the  
way of a moratorium or other de-  
vice which would afford tempo-  
rary relief at the expense of the  
general credit of the West.

In eastern Canada field crops  
are giving a yield that is, gener-  
ally speaking, above the average.  
The potato crop of the Maritime  
Provinces is particularly good,  
the estimate for N. B., for ex-  
ample, being 250,000 barrels, the  
largest on record. Large consign-  
ments of Canadian potatoes and  
of potato seed are sent regularly  
to Cuba and the U. S., and this  
article is more and more find-  
ing favour among the West Indies  
generally. Pasturage in eastern  
Canada has been excellent, and  
in consequence the flow of milk  
has been heavy, and the produc-  
tion of butter has increased.

While the agricultural outlook  
has increased, business in general  
is marking time, and every en-  
deavour is being made to keep  
stocks of merchandise at a low  
level. This is particularly notice-  
able in the lumber industry where  
careful scrutiny of the market  
has fortunately prevented any  
serious relapse. Collections vary  
from slow to fair. Commercial  
failures, however, are on a lower  
level than a year ago, and there is  
every indication that business,

although quiet, is holding its own.  
According to the latest Dominion  
Government returns, the number  
of men employed by the firms re-  
porting declined during July, and  
at the beginning of August was  
94.7 per cent. of the number em-  
ployed in January, 1920, the base  
used in these returns. The level  
however, although below that of  
1923, is still higher than in either  
1921 or 1922. The chief trades  
showing lower employment were  
logging, textiles, iron and steel  
and coal.

**CHATHAM N. B.**  
**MAN AMONG**  
**THE VICTIMS**

The dead are:—Captain Gerald  
Whitney, Newfoundland regiment  
Lieut. W. King, Royal Air Force;  
Lieut. E. O'Callaghan, H. M. S.  
Constance; George Harrison,  
Chatham, N. B.

Reid was driving the motor  
car in which Burrows, O'Callag-  
han, Harrison and two other men  
were riding. The car struck  
Whitney and King and killed  
them both. It then plunged over  
an embankment and O'Callaghan  
Burrows and Harrison were killed.  
Reid is under arrest charged  
with murder.

St. Johns, Nfld., Sept. 16.—Five  
men were killed in a motor car  
accident on Topsail Road late  
yesterday when a motor car  
driven by Leonard Reid, son of  
the late Sir William Reid, struck  
two men, then plunged over an  
embankment.

**FOR JOY OF**  
**GOOD HEALTH**

**Manitoba Woman Thanks**  
**Lydia E. Pinkham's Vege-**  
**table Compound**

Crandall, Manitoba.—"When I was  
a young girl at home and working I had  
terrible pains, almost more than I could  
bear, and I was not regular. These  
troubles kept me so tired all the time  
that I had no strength and no ambition  
to join in with my friends and have a  
good time. I was just tired and miser-  
able always and life just seemed as if it  
wasn't worth living. I saw so much in  
the papers about Lydia E. Pinkham's  
Vegetable Compound, and then I had a  
friend who had taken it and told me  
about it, so I got some. Every month  
after taking it I got stronger and I don't  
suffer every month. It stopped the  
pains and helped me to get on my feet.  
Then when my babies were coming I was  
tired and worn out the first three months  
and ached badly. I took the Vegetable  
Compound right along and must say it  
made a row woman of me and able to  
do my work, and it helped me through  
confinement. You see I am a farmer's  
wife with a big house to look after, and  
three babies now. I have told ever so  
many women about your medicine. Just  
last week I got a letter from my old  
chum in the East. Her baby was born  
fifteen days before mine and she told  
me she was not feeling very well, her  
back aches so much, and that she is  
going to take the same medicine I took.  
You can use my letter and I hope some  
one will be helped by it."—Mrs. Jos. H.  
Kinn, Box 56, Crandall, Manitoba. C

**Launder dainty things**  
**twice as often, this way**

It's not necessary to keep your prettiest things  
folded and laid away. Wear them—often. Launder  
them just as often as necessary. But do it this way:  
Use Palmolive PRINCESS SOAP FLAKES—  
and see fragile crepes, silks, laces, come from laun-  
dery absolutely unharmed. Colors brightened  
and freshened, if anything.

The great foam of suds contains nothing to hurt  
the daintiest fabric, the most delicate coloring. It  
dissolves the dirt, however, most thoroughly—and  
washes it away.

These snowy, frothy flakes contain nothing but  
pure soap. So they go farther, cleanse more effi-  
ciently. That makes it economical to use them in  
the washing machine, for all laundering, and for  
every general household purpose.

If only to try, get some today of your dealer.  
He has them—in handy one-pound packages.
