This Exquisite Spanish "Toilette Preparation," for beautifying and preserving the complexion and akin, has for years been acclusively prepared by Don MANUEL ACORYA, an eminent chemist of Soville, Spain, and by him sold in large quantities to the cite of that city, Hadrid, Havants and elsewhere, as an incomparable beautifier and preservative of the complexion, and certain preventive of Wrinktee, Freckles, Pinuples, Sunburn, Tan, and all blemishes of the Skin. While making a voyage to Cubasome years ago, on one of the British Royal Mail Steamships, Don Manuer was overtaken by severe sickness, and his life for days despaired of, but ultimately, he rallied and recovered, and as an acknowledgement of his appreciation of Dr. Campbell's services, (Dr. C. being at that time Medical officer on board the steamship), he presented the Doctor with the formula from which he prepared at heat time Medical officer on board the steamship), he presented the Doctor with the formula from which he prepared an occasional bottle, having expressed themselves most enthusiantically in regard to its merits, he has determined for the future to prepare it as a STANDABD TOILETTE PREFARATION. Its use imparts to the skin, a dazzling brilliancy, healthy freshness, transparent clearness, velvety smoothness and exquisite softness. A few applications will convert the grouphest skin into one of Alabaster delicacy, It is not a "Paint" or "Enamel," but a Deliciously Fragrant Medicated Water

St. N. Y.
Dear Sir—
For many years my wife
has had serious Organic, and of course.
Functional Disease of the Heart, and
frequently has 'seizures' of the most
terrible description, menacing her with
instant death. I have tried many prominent Heart Remedies without avail,
but in Dr. Campbell's 'Heart Regulator'
I am free to confess, we have found the
"Supreme Palliative," if not the 'Radical Cure." Your preparation, Doctor,
always relieves her instantly and perfectly, while the 'acisures' are much less
frequent and seyere. I have also prescribed your remedy in my practice,
I can and do, most conscientiously commend its use to all suffering from Orcanic or Eunstiend Cardise. December 1.
