wherein she keeps all the attempts of her friends to draw a feline. It is astonishing how few people really know how a cat looks. Ask your friends to draw a cat and see the things they make,

BICYCLING.—During the coming season Goderich will probably be visited by members of the leading bicycle clubs of Canada and the United States. Is it not possible for a cup to be put up for com-petition here at the height of the season, that we may have an opportunity of seeing some of the more noted knights of the wheel cavorting on the mazy? There is no better point in Canada for a public display of velocipeding than Goderich.

Let us get up the cup, and we will easily set the crowd. get the crowd.

A cheep hotbed, with cloth sashes, is recommended by an Ohio farmer, which is made of a single square frame of 11 out in town, and negotiations are being inch stuff, with a single bar down the entered into to have it established on middle, and covered with common heavy unbleached muslin painted over with two M. der the auspieces of Lieut. Col Ross will be held in Goderich on Tuesday evening, About five weeks ago Forbes, who resided on the boundary between McKillop and Grey, near the village of Walton, because that hands of an energetic committee. The proceeds will be devoted to the helmet fund of No. 1 (Goderich) company, 33rd Batt.

PAINYUL ACUDENT.—An infuriated white cow rushing about the streets on Triday created intense excitement. Mr. Henry Spence, the well known produce dealer, was knocked down by the ramp and beast, and painfully injured about the shoulder and hand. He had a narrow except from death, and is still confined to the house. The animal had to be killed immediately.

W. S. McTavish, of Acten, who is parsing a the Knox church, preparate of the weeks at steps were taken to have Forbes committed to the jain and the same on Wednesday evening at the Knox church, preparately and an attempt was made to tone is accounted to by those who had the privilege of hearing him.

M. McTavish presched an exception of his wife and other relatives failed to disperse mention of the weeks at the total preparate of the wind of these weeks as preparate the street on the was going to lose his property as cerured here on the was going to lose his property and that the was going to lose his property and that considerable damage that he shoulder and hand. He had a narrow except from death, and is still confined to the house. The animal had to be killed immediately.

W. S. McTavish, of Acten, who is parsing a the Knox church preparate of the was going at the knox church preparate of the wind of three weeks as the still confined to the house. The animal had to be wished to the house are considered to the house. The animal had to be wished to the house are considered to the house. The animal had to be seen to the house are considered to t A terrible disaster occurred here on two sisters and a brother-in-law also arrived, and the necessary legal formalities for obtaining his release from custody were attended to. About 1.30 on Monday afternoon he was taken from the jail to the station, there to take the 3.15 train to Seaforth. He was carried on board the railway coach by his friends, but exhausted nature could no longer hold out, and he expired before the train left the station. The body was then carried into the station baggageroom, where it remained until Tuesday morning when it was taken to McKillop for interment by the sorrowing relatives.

Fortes was a fine looking young man and of good reputation in the neighbors hood where he resided. He leaves a wife and three small children, we are informed, besides other relatives and informed, besides other relatives and feet from the edge of the bank is thought to be in danger, owing to the landslips. The mill was filled with grain and produce, and a great loss is thereby entailed

M.. M. Nicholson, the dentist, is around again, after a severe prostration of a couple of week's duration from an attack of inflammation.

Mr. Salts, who has been confined to the house for some time with another rheumatic attack and derangement of the liver, is able to be about again.

Mrs. Godge and two children from San Francisco, arrived in town on Wednesday last, and are now visiting at the residence of the father of the former, Miss Jennie Poole, daughter of Dr.

Miss Jennie Poole, daughter of Dr. portions of the roof and pieces of square timber - the foundations—were whirled rapidly down to the lake, mingled with hoppers, bits of wood with bolting cloth attached, and other parts of the late mill. Out in the lake, perhaps a quarter of a mile from the river's mouth, the bulk of the wreck of the mill can now be building or machinery, held by a snag, or flung upon a shoal. The rapid dash of the river has helped to complete the work of demolition, for much that fell whole and entire at the mill site, was reduced to kindling ere it was disgorged into the lake by the greedy stream.
