Compositions

By ALFRED H. ALLEN.

FIRST SONATA IN D MINOR
For Organ.

"Organists may be recommended a Sonata in D Minor by Alfred H. Allen. This is an extremely well-written work for one who is evidently an expert organist. In the prelude the composer employs the rarely used seven-four alternating with three-four, tempo. His counterpoint flows naturally and without effort. There is an excellent fugal section in this movement. The Intermezzo is melodious and simple in construction, an Allegretto Scherzando in the middle affording effective contrast. The Finale worthily concludes the Sonata."—Morning Post (London).
"A Sonata in D Minor, by Alfred H. Allen, contains something more than sound workmanship, and the light Scherzo affords excellent contrast to the stately opening movement and the elaborate Finale."—Athenaeum (London).

Price Two Shillings and Sixpence.

BLESSED ARE THEY THAT MOURN
Motet For Chorus and Organ.

"Alfred H. Allen's motet, 'Blessed are they that Mourn,' is the work of an excellent musician, and deserves to be known."—Morning Post (London).
"This is an interesting work, sincere in expression and technically well devised. The influence of Brahms is somewhat strong; but Mr. Allen has a good deal to say for himself, and he says it in a manner that is thoroughly musically. The motet should be a welcome addition to the repertoire of church choirs with ideas above Dykes and Barnby."—Oxford Magazine.
