R. TEMPLETON,

IN FILMS.

The sensational Crippen case was most graphically depicted in moving pictures at the Queen Theatre, Water Street West, on Tuesday night last. The meritorious qualities of this vital topical subject are so apparent, and were so much appreciated by the peo-ple who witnessed its projection on the canvas, that the manager has been induced to again present it as an add-ed attraction on next Monday. Very thrilling are shown the chase of Ethel LeNeve and Dr. Crippen across the Atlantic, their discovery through the edium of wireless telegraphy, and their ultimate apprehension by Scot-land Yard. It is a gripping film, and no one should fail to see this pictorial recital of one of the greatest crimes hat has occupied the attention of British justice during the past year.

The homely Suet Pudding, or the Dumplings for the Stew are lightest when raised with

Daisley Flour

The most digestible and enjoyable suet puddings are made by adding one part of "Paisley Flour" to eight parts of ordinary flour before mixing the dough. Steaming

instead of boiling also helps to make puddings lighter. "Paisley Flour" mixed 1 part to 12 of ordinary flour, makes delicious light piecrusts and plain pastry for tarts-no doughiness.

"Paisley Flour" is packed in 22c., 14c. and 5c. tins.

The 22c. tin contains 14 ozs. and will raise half a stone of flour. y 7 ozs. " 3½ pounds of flour.

Nor ask advice of any other thought,

The winter frost and snow have lent their aid in harvesting the product of the forest. The logs are now gaily bounding through the open Rivers on their way to meet the onslaught of Circular and Gang Saw. The result will be Lumber in galore, and of the best.

The clean atmosphere, high winds and warm sun of Notre Dame Bay have united to provide the seasoning process in perfection, so that our 1910 stocks arrive here clean, bright and dry. Already several large cargoes have been landed at our wharves, St. John's, in spite of a late spring. Others

We call upon our friends in St. John's, and through the length and breadth of the country to send us their orders.
