**In England**

The Yorkshire manufacturers have been so overwhelmed with orders for khaki that they have been obliged to decline huge contracts offered by Russia. Recently there have been charges that much of the khaki furnished has been of inferior quality, but this the manufacturers strenuously deny. They admit that low grades may have been supplied in certain cases, but that was only when the authorities refused to pay the price for good material.

We have been unusually busy in Halifax, since the outbreak of War, dyeing garments Khaki and Dry Cleaning Khaki garments.
