Despatches to the Evening Mercury.

LIVERPOOL, Oct. 19th.—The Chamber of Commerce of this city has appointed Thursday the 22nd inst., as the day for the presentation of his address to the Hon. Reverdy Johnson, the Minister of the United States. The Mayor has invited him to a dinner to be given by his honor on the 26th inst.

DUBLIN, Oct. 19th.—Mr. Geo. Francis Traill has published an address to the American people bidding the Irishmen to vote for Gen. Grant for President, and adding proofs to show that the Democratic party is friendly to England. He denounces Tammany Hall, and declares that the voters of the Fifth Congressional District of New York must take him as an independent candidate or not at all.

LONDON, Oct. 19, midnight.—A despatch from Paris reports that Senior Marfori, Indendant of Queen Isabella, has fought a duel with Henri Rochefort, editor of the *Lanterne*. The latter is said to have been badly wounded. No further particulars have been received.

American Despatches.

The Election in the States—Immense Majorities for the Republicans—Democrats working vigorously—Great Excitement—Murder, etc. etc.

New York, Oct. 19.—The *Herald* says the proposed change of Democratic standard is being vigorously urged by prominent members of the party. Many Southern Democrats are favoring the new course. At Raleigh, N. C., both parties are working vigorously, the Republicans are jubilant over elections in the North. It is asserted positively that Seymour and Blair have both placed letters of withdrawal in the hands of their friends. Several leading Democrats profess to believe that the movement is supported and urged by Mr. Seymour out of no friendship to the Democratic party. In Indianapolis, the Republican majority was so large that a protest has been ordered and large numbers of fraudulent votes have been found. The *Tribune's* New Orleans special says on the night of the 17th, Valentine Chase, (Republican) Parish Judge, was murdered, and his body was found next morning in the street in Franklin.

CARD.

To Friends & Strangers. AFTER an experience of over four years in selling the New York Union Piano Company's Pianos, (made under the direction of J. P. Hale at the corner of 10th Avenue and 30th Street, New York) with the instruments of some of the other leading manufacturers, we have decided to drop all others and confine our sales to the

Being fully satisfied, after having sold over 800 of these splendid instruments in New York, Cincinnati and St. Louis, that they are the finest toned and most durable Pianos now made. GREAT POWERS

ARE ALWAYS NEUTRAL IN SMALL SQUABBLES. SO IT IS WITH PREST & HEPBURN

In the Leather War now going on between their opponents on the South side of Wyndham Street. WE do not believe in bosh and blarney, but deal with facts, and leave the verdict in the hands of the intelligent people of Wellington. We are prepared to prove, and we positively affirm, notwithstanding all the puffing and blowing which has become the order of the day, that PREST & HEPBURN, Wyndham Street, Guelph, manufacture more

BOOTS AND SHOES

and employ double the number of Workmen of any other establishment in the County of Wellington. We invite the public to call and look through our Factory, and they will be convinced that we are telling the truth, and nothing but the truth.

A great deal has been said for and against Machine-made Boots and Shoes, Now we believe, and we are confident that every well-balanced mind in Wellington will agree with us, that the less machinery used in the manufacture of Boots and Shoes the better.

All our Staple Boots and Shoes are made by Hand Which must be admitted is far superior to any machine made Goods. We have now on hand the largest and best assortment of Boots and Shoes ever offered to the people of Wellington, which we will sell as cheap as the cheapest.

Remember that all our Work is Warranted And no second price. REPAIRS done as usual. Guelph, 24th September. dw-1m
