THE Druggists have just received a supply of Dr. Wheeler's Celebrated Chemical Food and Nutritive Tonic, the Compound Elixir of Phosphate and Cellulose. This preparation has been in use in private practice for fifteen years, and is confidently recommended to the public as the most elegant and reliable tonic in use for building up constitutions that have for a long time been suffering from Chronic Wasting Diseases, depending upon poor blood. It perfects nutrition by aiding the digestion and assimilation of food, and thereby building up and vitalizing all the organs and tissues of the body. In diseases peculiar to women and in delicate children, it supplies a want long felt by the physician, of a safe and agreeable remedy that may be taken for a protracted period without any possibility of injury, or of becoming repugnant to the patient. Sold at \$1.
