QUICKLY CURED

# DOAN'S KIDNEY PILLS

Kidney disease comes on quietly, it may have been in the system for a long time before you suspected the real cause of your trouble. There may have been backaches, swelling of the feet and ankles, disturbances of the urinary organs, such as, brick dust deposit in urine, highly colored, scanty or cloudy urine, bladder pains, frequent urination, stone in bladder, etc.

Perhaps you did not know that these were symptoms of kidney disease, so the trouble kept growing worse, until Neuralgia, Sciatica, Rhoumatism, Diabetes, Dropsy, and worst of all, Bright's Disease have taken hold of your system.

Doan's Kidney Pills should be taken ar the first sign of anything wrong. There is no other safe way, (plasters and liniments are useless), as the trouble must be eradicated from the system. Doan's Kidney Pills go to the seat of

the trouble, strengthen the kidneys, and help them to filter the blood properly and flush off all the impurities which cause kidney trouble. Mr. Thomas Mayhew, Smith's Falls, Ont., writes: "For over four months I was troubled with my kidneys, and my back got so lame I felt miser. ble all over.
