A storeroom belonging to olar olsen, a furniture dealer, has been converted into a temporary morgue, and at 9:30 twenty-four dead bodies had been brought in. Following the storm the utmost con-

hynia province has been published, warn-ing citizens that any further exhibitions of disorder will be relentlessly put down. Reports that Jews were being massacred caused great excitement throughout the country districts. Many farmers from surrounding villages came to Zhitomir on May 8, attracted by reports of Jew baiting, and minor disorders and pillag-ing occurred at Troyanoff. 15 miles dis-tant. Reports received here attribute the beginning of the disorder to the mur-der of Chief of Police Kugaroff, but de-clares that that crime was due to per-sonal reasons and not connected with race hatred.

Senator Young explained that the Esquimalt & Nanaimo Railway bill was to authorize the purchase of the line by the C. P. R. Two documents purporting to be pe-titions were received, but as that of the Esquimalt & Nanaimo Railway had not been sealed and was only signed by the solicitor of the company, who had been instructed by wire, the stand-ing orders committee could not accept it as a formal document. The C. P. R. petition was in order. The trouble not been sealed and was only signed by the solicitor of the company, who had been instructed by wire, the stand-ing orders committee could not accept it as a formal document. The C. P. R. petition was in order. The trouble arose through there being no officer to examine the petitions and see that they complied with the rules of the House. The House must decide whether they should proceed on the petition of the C. P. R. The measure was a double-barrelled bill.

President Fish, of the American Rail-way Association, had introduced Sec-retary Taft in his capacity as toast-master. Mr. Fish was on his feet as soon as the secretary had concluded.

He answered the secretary had concluded. He answered the secretary at length, taking the view that the law to prevent discrimination, double dealing and sec-ret rates was right, and he vigorously called for the enforcement of the law. Mr. Fish talked of the vested rights of the mean field up in railwars barrelled bill. Senator Templeman said the com-panies started late in the session to get this legislation, but to meet the diffi-culties with the provincial legislature the clauses of the original bill were al-tered. It would be perfectly easy within a few days to get a regular petition. The bill stood over till the 16th inst.

before I say it to another body. Now let me repeat that I know nothing of the facts of the situation. I know nothing of the right or wrong of the points at issue. What I have to say is based part-ly upon the phrase of a letter presented to the President of the United States. I have not been called upon to interfere in any way, but you must not misunder-stand my attitude. In every effort of Mayor Dunne to prevent violence by mobs or individuals, to see the laws are obeyed, and that order is preserved, he has the has the

Mr. Quinn, who knew the President in his youth, said: "Mr. President, what prompted us to come up with this state-ment is that for the last three weeks there has been a continuous howl about the federal army. I have known you long enough to know that you would not re-spond to a one-sided demand, and that you will not respond until you have thor-oughly investigated the case."

It was generally understood by both sides to the strike that there would be no disturbances while President Roosevelt was in the city. There were, however, several outbreaks, one of them occurring

Timber. Grand Forks, May 7.—(Special)—Ar unknown lunatic was yesterday seen in the timber up the north fork, just oppo-site the Seattle mine. Robert Clark, manager of the Seattle property, in speaking to the representative of the Daily Colonist today, said: "My boys discovered this crazy man yesterday in the timber. He was almost nude, and had his face all bleeding. We have no idea who he is," It is learned that Pro-vincial Constable Dinsmore has been notified and will take charge of the case. One of the largest real estate deals ever closed in the Boundary country was completed yesterday, when N. McLen-nan and E. Miller acquired the well known Johnson ranch, consisting of some 1400 acres, about two miles east of the city. The price paid was in the neigh-borhood of \$40,000. It is the intentior of the new owners to subdivide the farm into ten acre lots and place them on the market at once. A provincial surveyor is already employed to make the neces-sary surveys. It is understood that ser-erel ten acre plots have alreadv been spoken for. whether a particular rate is reasonable or unreasonable. Now, in fixing that one has got to fix what is a maximum rate. As I understand it, what is prorate. As I understand it, what is pro-posed is only that in litigated cases a commission shall be constituted that shall fix a maximum rate. In other words, to go through the same process as now goes through to determine what is a reasonable rate. What I am is strongly in favor of, though, is that we shall have a body that shall decide things and that shall fix things and that these things shall be decided within a reasonable time finally by the courts."
