## PRAISE HIGHWAYS

THROUGH GASPE

Editor Graphic,

Campbellton, N. B.

Dear Sir—Knowing that you are interested in the Gaspé and Bonaventure counties I want to mention that last week I motored through to Montserrat leaving my car there and returning by train.

After covering the entire distance

of over 700 miles easily in less than 28 hours actual running in a Buick Six roadster. I really feel that the Minister of Highways should be complimented for his efforts in improving the highways on this route and that Mr. Octave Gallant the contractor for the Matapédia Valley road deserves great praise for the excellent highway he made through the valley which is 55 miles long and was formerly impassable.

T. G. roads are fine nearly all the way through the exception being about

55 miles leading from Caumaspé to Mont-Joli which are rather rough. We all look forward to a great increase of automobile tourists next year especially American tourists who greatly enjoy the climate and the wonderful scenery to be found in this section.

A mention of this in your valuable paper will be highly appreciated.

Yours very truly

EUGENE HECHT.

KILLED AT  
NIAGARA FALLS

John Nelson Fell From Building And Sustained Fatal Injuries.

The many friends of John Nelson were grieved by the sad news of his death at Niagara Falls, which was learned here Tuesday. Mr. Nelson was a former resident of this town, having come here some years ago from Shigawake, Que., and was for some time an employee at the local electric power plant. Since his departure for Niagara about two years ago Mr. Nelson had resided in that city and was engaged on the construction of the hydro canal intake at Chippawa.

Death was due to injuries sustained in an accident which befell Mr. Nelson some two weeks ago. While at work at the canal the unfortunate man fell a distance of some thirty feet to a concrete pavement below. Mr. Nelson was taken to the General hospital there and although death was inevitable owing to the serious nature of his injuries, he survived his experience by two weeks, death occurring on the evening of November the 6th inst. The deceased gentleman who was forty-seven years of age, leaves to mourn the loss of a kind and affectionate husband and father his bereaved wife and one child. He is also survived by his parents who reside at Shigawake, Que., his brother James, also of that place and his brother William of Campbellton.

The remains arrived here this morning on the Maritime and were conveyed to the residence of the deceased's sister-in-law, Mrs. George Dow, Queen Street. Mr. Nelson was an honored member of the Orange Order which he joined in Campbellton some years ago, and was a Sir Knight of the Restigouche County Royal Sarslet Chapter. The funeral services which will take place from the Dow residence on Queen Street at 2:30 Sunday afternoon will be under the direction of the L. O. L. No. 64. A short service will also be held at the Salvation Army Citadel, Adj. Wells will officiate assisted by the Rev. Mr. McLean.

**CARTER-ST. ONGE.**  
A quiet wedding took place in the Roman Catholic Church, Dalhousie on Tuesday evening, when Miss Mary Florida, youngest daughter of Mrs. E. St. Onge, became the bride of Melvin F., son of Mr. and Mrs. W. Carter, the Rev. Father Hart being the officiating clergyman. Miss Dorothy Carter, sister of the groom was bridesmaid, and Robert Roy supported the groom as best man. The bride looked charming, attired in a navy blue serge suit embroidered in black, her hat was of navy pique velvet with ostrich trim and a veil; she wore a grey opussum neck-piece. The bridesmaid was dressed in a navy blue serge suit worked in beads. Immediately after the ceremony, amid showers of rice and confetti, the happy couple motored to the home of the bride's mother, where a bountiful and delicious supper was served. Their many friends join in wishing Mr. and Mrs. Carter many years of happy married life.

Saturday the 11th inst is Armistice Day. A sale of poppies will be instituted by the local Red Cross organization, the proceeds to go towards the maintenance of a Public Health Nurse in this district.

recollections of the horrible world struggle are receding into the background, Armistice Day will forever keep fresh in our minds thoughts that are far removed from selfish views or narrow-hearted motives. Thus it is fitting that members of the Red Cross—representing their sisters who carried mercy to the field of strife—should sell poppies, which represent Nature's perennial monuments to those who did not return. With these thoughts in our minds the sale of poppies on Saturday should bring all previous records.

**PASSED THROUGH.**  
Mr. L. S. Brown, Assistant General Manager of the C. N. E. passed through here Tuesday. His private car was attached to the Ocean Limited.

**AGAIN IN BUSINESS.**  
Many friends will be glad to see Mr. John Miller again in the butcher business. He has opened up a shop near the Subway. Give him a call.

**NEARLY CLOSED IN.**  
The new Town Hall is about closed in as is the new curling rink. The fine weather has materially helped the completion of both these buildings and most of the outside work will be done before cold weather and snow comes.

**OCEAN LIMITED DELAYED.**  
The Ocean Limited from North Tuesday was five hours late in reaching Campbellton. The delay was caused by a freight train run off east of St. Charles Jct., Que., which held up the Limited over six hours at that place.

**NEW OIL FIELD.**  
Oil indications are reported on a number of Napan farms. Mr. Wood of Moncton, has secured specimens of the outcrops and is confident that there is oil underneath. He predicts the sinking of many wells in the near future.

**FUNERAL NOTICE.**  
All members of L.O.L. No. 64, are requested to meet on Sunday afternoon, Nov. 12th at 1 p.m. at Oddfellows' Hall for the purpose of attending the funeral services of their late brother John Nelson. All Sister Lodges are invited to attend.
