Upper School Examination

The following list contains the names of the Lambton candidates who have passed on one or more parts of the upper school examination for entrance into the faculties of education at the University of Toronto and Queen's University, Kingston. The examination passed is indicated after each name.

The appeal examiners have already reread the papers of each candidate whose marks might have justified an appeal. Where such candidate has still failed his statement of marks will be stamped as read and no further appeal will be allowed. In all other cases of failure appeals will not be refused if made before Sept. 1, and accompanied by the fee of \$2. If made after Sept. 1 the fee is \$5. No appeal received after Sept. 10 will be entertained.

Successful candidates who desire to attend the coming season of either faculty of education must make application to the dean of the university concerned.

BABY'S GREAT DANGER

DURING HOT WEATHER

More little ones die during the hot weather than at any time of the year. Diarrhoea, dysentery, cholera infantum and stomach troubles come without warning, and when a medicine is not at hand to give promptly the short delay too frequently means that the child has passed beyond aid. Baby's Own Tablets should always be kept in homes where there are young children. An occasional dose of the Tablets will prevent stomach and bowel troubles, or if the trouble comes suddenly the prompt use of the Tablets will cure the baby. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

The Late Dr. Chalmers' Will

Dr. Arthur Peden Chalmers, of Toronto, formerly of Oil Springs, who died at St. Lucia, British West Indies, in May last, has bequeathed to his wife the income from his estate, valued \$48,028, as long as she remains a widow. In the will, entered for probate yesterday, Mrs. Chalmers is directed to pay \$2,000 to his daughter, Vivian, and \$2,500 to his son, Ervin, when they reach their 24th birthday. Mrs. Chalmers may, if she cares to, divide the estate as she thinks best between the two children, but failing such division the son and daughter will receive equal shares. Of the estate \$31,421 is made up of mortgages, \$6,500 insurance, \$2,059 in cash and the remainder, in book debts, war debentures and war bonds.

BROOKE

On Sunday evening next at 7.30 a special memorial service will be held in Chalmers' Memorial Presbyterian Church, Brooke, in honor of the late Pte. Nichol McLachlan, who was killed in action on July 6th. The service will be conducted by the Rev. R. M. Stevenson, F.R.G.S., of Watford.

On Sunday last a gloom of gladness pervaded the home of Mr. and Mrs. Alex. Rundle, 12th line, when the cold hand of death relentlessly seized their infant daughter, Rebekah May, aged 9 months. How often a life is but as a vapor that appeareth for a little time and then vanisheth away, and these lovely and much appreciated family flowers are taken from the parental garden by an all wise Providence to be planted in the Paradise of God to bloom in glorious hue. Much sympathy is extended to the bereaved in their sorrow.

Mr. Jas. Acton, con. 14, has received a letter from the Adjutant-General at Ottawa in answer to enquiries regarding his son, Pte. Russell Harold Acton, which says:—"The latest information available at Military Headquarters relative to Pte. Russell Harold Acton, C.E.F., is to the effect that on June 15th, 1917, he was admitted to the Military Convalescent Hospital, Epsom, England, suffering from a gunshot wound in the right arm. A communication has been sent to the officer in charge of records, London, Eng., requesting him to ascertain and report the present condition and whereabouts of Pte. Acton, and immediately on receipt of a reply you will be advised."

The annual meeting of the Tipperary Red Cross Circle was held at the home of Mrs. J. Steadman on July 24th with a goodly number present. The work on hand was finished up, leaving a shipment ready to pack and send to Hyman Hall. This society has shipped to Hyman Hall the following goods in the past year:—55 funnel day shirts, 53 suits pyjamas, 60 pillow slips, 33 hospital towels, 90 trench towels; also 61 pairs of homeknit socks to Mrs. McPhedran, Toronto. They also sent a collection of \$6.00 to the Byron Sanatorium and \$2.95 to the French Red Cross. A collection of \$12.07 was taken up at the meeting. Officers for the ensuing year are Mrs. G. Higgins, Pres.; Miss Stella Higgins, Sec.; Miss Bertha Whitehead, Treas.

The death took place on Saturday, July 28th, after an illness of many months' duration, of Miss Jane Watson. Deceased was in her 85th year. She was a daughter of the late Wm. Watson, of Brooke, was born in Carleton Place, but lived in Brooke nearly all her life on the old homestead lot 14, con. 13, now the property of her nephew, Mr. Wallace Watson. She is survived by two brothers, John of Deckerille, Mich., and William of Manitoba. She was a life-long member of the Methodist church and bore her long and tedious illness with true christian fortitude. During her long life her cheerful and affectionate disposition made her many warm friends. The funeral was held on Sunday afternoon and in spite of the intense heat was largely attended. The service was conducted by Rev. S. J. T. Fortner and interment made in Mt. Carmel cemetery. The pallbearers were nephews, John, Joseph and Duncan Acton, Frank and Henry Park and Wm. Watson. Among those from a distance who attended the funeral were Mr. John Watson and his daughter, Mrs. Fair, of Deckerille; Mr. and Mrs. Henry Fawcett, of Forest; Mrs. E. Holbrook, of Petrolia; Mr. and Mrs. Geo. Miller and Mr. and Mrs. P. McVane, of Bridgen, and Miss Margaret Turner, of Sarnia.

Address and Presentation

On Wednesday afternoon, August 1st, the ladies of Front street gathered at the home of Mrs. Hastings to have tea with her and to enjoy a social hour together prior to Mrs. Hastings leaving Watford to make her home with her daughter, Mrs. Hindson, in Regina. The lawn where tea was served was suitably decorated with flowers and flags. After lunch was served a short program of speech and song was given. The toast, "To Our Guest," was responded to by Mrs. Gilles who did full justice to Mrs. Hastings' sterling qualities as neighbor and friend. Miss Blanche Mitchell read a short address and Mrs. Kelly, on behalf of the ladies, presented Mrs. Hastings with a gold brooch set with amethysts. The address follows:—

DEAR MRS. HASTINGS:

We, your neighbors and friends on Front street, have called this afternoon to have tea with you and to assure you of the kindly feelings with which we have always regarded you. Your cheerful disposition and ready sympathy will always be cherished by us as a happy memory. Words would fail us to express to you the value of your example which has influenced us to a greater extent than you or any one of us can realize. We hope that you may enjoy many years of health and happiness in your new home in Regina, and with the wise we ask you to accept this brooch which we are desirous that you should wear as a daily reminder of your former neighbors in Watford.
