

JUDSON'S
CHEMICAL EXTRACT OF
CHERRY AND LUNGWORT,
FOR THE CURE OF
Coughs, Colds, Hoarseness, Spitting
of Blood, Night Sweats, Asthma, &
Liver Complaints, and
CONSUMPTION.
DO NOT NEGLECT IT.
CO NSUMPTION
Can be and has been cured in thousands
of cases by this only certain remedy.
JUDSON'S CHEMICAL EXTRACT OF
CHERRY AND LUNGWORT,
and no remedy has ever before been discovered
that will certainly
CURE CONSUMPTION.
The most strongly marked and developed
cases of Pulmonary Consumption,
where the lungs have become diseased and
ulcerated and the case so utterly hopeless,
as to have been pronounced by Physicians
and friends, to be past all possibility of re-
covery, and at times thought to be dying,
has been cured by this wonderful remedy,
and is now as well and hearty as ever.
It is a compound of medicaments which are
peculiarly adapted to and essentially neces-
sary for the cure of
COUGHS AND CONSUMPTION.
Its operation is mild, yet efficacious; it
loosens the phlegm which creates so much
difficulty, relieves the cough and assists
nature to expel from the system all dis-
eased matter by excretion, producing a most de-
lightful change in the breathing and chest,
and thus, after the prescriptions of the very
best medical men and the inventions of
kind-sorrowing friends and Nurses, have
failed to give the smallest relief to the Con-
sumptive sufferer.
THOUSANDS OF CONSUMPTIVE
persons have been deceived in buying medi-
cines which were said to be infallible
cures, but which have proved only pallia-
tives, but this medicine is not only a pallia-
tive but a cure for ulcerated lungs. It con-
tains no deleterious drugs and one trial will
show its astonishing efficacy better than
any assertions or certificates in curing con-
sumption and all diseases of the Lungs,
such as Spitting of Blood, Coughs, pains
in the side and chest, night sweats, &c. &c.
About 1000 certificates of almost mira-
culous cures, performed by this medicine,
from some of the first Doctors, Clergymen,
and Merchants, have been sent us for this
medicine, but the publication of them looks
too much like Quackery, [will show them
to any person calling at our office.] This
medicine will speak for itself and enough
in its own favour wherever it is tried.
Caution—This medicine is put up in a
large bottle and you must find the name of
Judson & Brother, Proprietors, New
York, on the splendid wrapper around the
bottle. All orders must be addressed to
Judson & Brother, No. 9, John St.,
New York.

For the cure of Ring Bone, Blood Spavin,
Bone Spavin, Windgalls, and Splint—a
certain remedy.

**CARLTON'S CONDITION POWDERS
FOR HORSES AND CATTLE.**
The changes of weather, and season, with
the change of use and feed, have a very
great effect upon the blood and sinuous
fluids of horses. It is at those changes they
require an assistant to nature to throw off
any disorder of the fluids of the body that
may have been imbibed, and which, if not
attended to, will result in the Yellow Water,
Heaves, Worms, Botts, &c. All of
which will be prevented by giving one of
these powders, and will at any time cure
when any symptoms of disease appear, if
used in time. They purify the blood, re-
move all inflammation and fever, loosen the
skin, cleanse the water, and invigorate the
whole body, enabling them to do more work
with the same feed. The action of these
powders is direct upon all the secretory
glands, and therefore have the same effect
upon the Horse, the Ox, the Ass, and all
Herbivorous animals—all diseases arising
from or producing a bad state of the blood,
are speedily cured by them. Remember
and ask for CARLTON'S CONDITION
POWDERS, and take no others.

**CARLTON'S NERVE AND BONE
LIMBENT FOR HORSES.**
and for the cure of all diseases of man or
beast that require external application, and
for contracted cords and muscles, strength-
ens weak limbs, and is also used for sprains,
bruises, saddle galls, scuffed legs, sores of all
kinds on horses.

CARLTON'S articles for Horses and Cattle
are prepared from the recipe of a very cele-
brated English Farrier and will cure in
ninety nine cases out of one hundred any
of the above complaints. They have been
used by Farmers, liverymen, stage proprie-
tors and others, with the most marked and
decided success.

CAUTION.—None can be genuine unless
you find the name of J. Carlton Comstock
on the wrapper of each article.

COMSTOCK'S VERMIFUGE.

Worms from both adults and children. It
cannot harm the most delicate infant or
strongest adult, and never fails to comple-
tely root out and destroy all kinds of Worms.
The cost, 25 cts. per bottle, puts it within
the reach of all, and all parents who are
without it are wastefully exposing the lives of
their children to those fell destroyers of
youth, "Worms." Look for the name of
Comstock & Brother, proprietors, on the
wrapper of each bottle.

RHEUMATISM.

warranted to cure any case of Rheumatism, Gout,
Contracted Cords, and Muscles, or stiff joints,

**CURE OF A DISORDERED LIVER AND
STOMACH, WHEN IN A MOST
HOPELESS STATE.**
Extract of a Letter from Mr. Matthew Harvey,
of Chapel Hill, N. Carolina, dated the
15th of January, 1850.

Sir—Your valuable Pills have been the means,
with God's blessing, of restoring me to a state
of perfect health, and at a time when I thought I was
on the brink of the grave. I have consulted several
of the best doctors, who after doing what they could
for me, stated that they considered my case as hope-
less. I sought a last resource, got a Box of your Pills,
which soon gave relief and by persevering in their
use for some weeks, together with rubbing night
and morning your Ointment over my chest and
stomach, and right side, I have by their means
alone got completely cured, and to the astonish-
ment of myself and every body who knows me.

**CURE OF A CASE OF WEAKNESS AND
DEBILITY, OF FOUR YEARS' STANDING.**
Extract of a Letter from Mr. Smith, of No. 5, Little
Thomas's Church Street, London, dated
12th Dec. 1849.

To Professor Holloway.
Sir—I beg to inform you that for nearly five
years I hardly knew what it was to have a day's
health, suffering from extreme weakness and debility,
with constant nervous headaches, giddiness,
and sickness of the stomach together with a great
depression of spirits. I used to think that nothing
could benefit me as I had been by many medical
men, some of whom after doing all that was in their
power informed me that they considered that I had
never a chance beyond the reach of cure,
together with a very disordered state of the stom-
ach and liver, making my case so complicated that
nothing could be done for me. One day being un-
usually ill and in a dejected state, I saw your Pills
advertised, and resolved to give them a trial, more
perhaps from curiosity than with a hope of being
cured, however I soon found myself relieved by tak-
ing them, and so I went on persevering in their
use for six months, when I am happy to say they
effected a perfect cure.

**CURE OF ASTHMA OF TWENTY YEARS'
STANDING.**
Extract of a Letter from Mr. J. K. Hayden, 78 King
Street, Sydney, dated 10th of November 1849.

To Professor Holloway.
Sir—I have the pleasure to inform you that
many extraordinary cures of Asthma have been
effected here by means of your Pills. One is that
of a lady residing near the "Razorback," who after
having for twenty years been unable to make
any slight exertion, suffering from
shortness of breath, coughing,
and spitting, but is now, to use her own
expression, able to run up to the top of that
mountain. Another case is that of Mr. Eaton, Tas-
manian, who was afflicted with Asthma for many
years, and was so dreadfully bad that he was confined
entirely to his bedroom for six months, prior
to his commencing with your Pills, and attended
regularly by his medical man, who pronounced him
to be in a dying state, yet he recovered, in my
knowledge, has been restored to perfect health by
the use of your Pills, and rubbing your Ointment
night and morning into his chest.

By this Miraculous Medicine, after every other

A Copy of a Letter from the Earl of Alderborough
dated Villa Messina, Leghorn, 21st Feb. 1845.

To Professor Holloway.
Sir—The circumstances prevented the pro-
vision of my thanking you before this time for
your politeness in sending me your Pills as you
did. I now take this opportunity of sending you
an order for the amount, and at the same time, to
state that your Pills have effected a cure of a
disorder in my liver and stomach, which all
the most eminent of the Faculty at home, and
all over the Continent had not been able to
effect; nay, not even the waters of Carlsbad and
Marienbad. I wish to have another Box and a

ever require either.

Holloway's Ointment.
AN EXTRAORDINARY CURE
OF SCURVY OR KING'S EVIL.
Extract of a Letter from Mr. J. H. Allday, 200,
High Street, Cheltenham, dated the
22nd of January, 1850.

To Professor Holloway.
Sir—My eldest son, when about three
years of age, was afflicted with a Glend's
swelling in the neck, which after a short time
broke out into an Ulcer. An eminent medical
man pronounced it as a case of Scurvy,
and prescribed for a considerable time
without effect. The ulcer ran for four
years, and then gradually healed, but the
swelling, when it subsided, left a mark in the
neck, which was expected to break. During the
whole of the time my suffering boy had tried
the constant advice of the most celebrated
medical gentlemen at Cheltenham, besides
being for several months at the General Hos-
pital, where one of the surgeons said that he
would amputate the left arm, but that the
blood was so impure, that if that limb were
taken off it would be then even impure to
substitute disease. In this desperate state I
determined to give your Pills and Ointment
a trial, and after two months' perseverance in
their use, the tumor gradually began to
disappear, and the discharge from the ul-
cers perceptibly decreased, and at the ex-
piration of eight months they were perfectly healed,
and the boy thoroughly restored to the health
and vigour of a child of his age. I have since
been a constant attendant on the health of a large
circle of acquaintances, who could testify to
the truth of this miraculous cure. Three
years have now passed without any recur-
rence of the malady, and this boy is now as
healthy as heart can wish. Under these cir-
cumstances I consider that I should be truly
grateful to you. I am, Sir, your obedient
servant, and in making you acquainted with
this wonderful cure, effected by your
medicines after every other means had failed.
(Signed) **J. H. ALLDAY.**

**CURE OF ACUTE RHEUMATISM OF FOUR
YEARS' STANDING.**
Extract of a Letter from Mr. John Pitt, India
Street, London, dated 18th Jan. 1850.

To Professor Holloway.
Sir—It is with the greatest pleasure that
I write to thank you for the benefit I have
received from your Pills and Ointment, which
have completely cured me of the Rheumatism
under which I suffered for this last four years,
at times I was so much afflicted, that I was
unable to do any kind of work, and I had
tried every kind of Medicine that was
recommended without receiving any benefit.
I at last thought I would give your Medi-
cine a trial, and purchased from Mr. Holden,
Chemist, of the Town of London, your Pills
and Ointment, and in three weeks
through them and the blessing of God, I was
restored to health and am now as well able to
walk as ever I was in my life. I am well &c.
in this parish, having been sixty-five years
in it, with an exception of ten years. I served
in the 24th Regiment of Foot.

**CURE OF A BAD LEG OF SIXTY
YEARS' STANDING.**
Mr. Barker, of No. 5, Graham Place, Drap-
pers, had a leg from the hip down, of
eighteen and upwards of eighty, and although
for many years he had sought the best advice,
in the country, nothing was found to cure them.
He very often suffered most excruciating pain for
long periods together, which rendered him
unable to attend to his business. He had great
hopes of getting a cure, when at last he was
persuaded to try Holloway's Pills and Ointment,
which he did, and however wonderful it may ap-
pear, the leg was thoroughly cured, his pain
ceased, and by continuing to use the Pills and
Ointment he is now as well as he was when he
first began to suffer, and he has been in health
and hearty as now to be more active than
most men of fifty.

N.B.—The track of this extraordinary state-
ment can be vouched for by Mr. J. C. Reinhold,
22, Market Place Hall, February 25th, 1850.
**CURE OF A DEPERATE CASE OF RING-
BONE OF SIX YEARS' STANDING.**
(Signed) **JOHN PITT.**

One of the most remarkable cures of the Limbs (the
Capital of Peru) had a child covered with King-
worms for more than 6 years, in which he exhausted
all his art in his endeavours to effect a cure. Not
succeeding, he consulted among his brethren, the
most celebrated medical practitioners of his time, but
nothing was found to do the child service.
When he was persuaded by Mr. Joseph P. Hague
the English Chemist and Druggist, residing at No.
74, Calle de Pinar, to try Holloway's Pills and
Ointment, which was done, and after using a
large Pot of the Ointment, and a proportion of the
Pills, the child was radically cured, to the
surprise of the whole medical profession. The
name of the party, from motives of delicacy, is
withheld.

The Pills should be used conjointly with the
Ointment in most of the following cases:—
Bad Legs, Bad Breasts, Burns, Ulcers,
Bite of Mad Dogs, and Sand Flies, Fungus,
Cancer, Gout, Glandular Swellings, Lumbago,
Piles, Rheumatism, Scalds, Sore nipples,
Chloric, Children, Chapped hands,
Coris (sores), Cancers, Contracted & Stiff Joints,
Erysipelas, Sore Throats, Sore eyes, Sore
noses, Sore heads, Tantrums, Ulcers, wounds
&c. &c.

of Patent Medicines throughout the Civilized
World, in Pots and Boxes, at 1s. 12d. 4s. 6d.

siderable saving in taking the large sizes.

the words "Holloway's Pills and Ointment,"

the medicines.

Should unprincipled Vendors recommend
parties asking for Holloway's Pills and

something else in their stead, they do so
only for the purpose of getting a greater
profit by what they wish them to purchase.
