EARL GREY'S APPEAL On behalf of Needy Consumptives Strong words of Canada's Governor-General

At the official opening of the King Edward Sanatorium for Consumptives, near Toronto, His Excellency delivered an address that must have an important bearing on the future of the sanatorium movement in Canada. We quote:-

"The proceedings this afternoon commenced with a beautiful and reverent prayer from your old friend, Dr. Potts. He prayed that the light of the Lord might shine upon us. That prayer is abundantly answered. He also prayed that the White Plague might be removed. Well, whether that prayer will be answered or not depends upon yourselves."

"Is it not a standing shame and reproach to the governments and individuals that there is not more care taken by the people of Canada to protect themselves against the curse of consumption?"

On his way out to the King Edward Sanatorium, -so named by permission of His Majesty King Edward VII-the Gov ernor-General's car was stopped in its progress outside the Canada Cycle & Motor Co. by a large crowd of its employees. A contribution of one hundred dollars was handed the Governor-General, a donation to the Toronto Free Hospital for Con sumptives.

"Twas a kingly gift" said His Excellency in making acknowledgment. "I will tell the King."

Addressing the large audience that attended these opening exercises, referring to this event,

"Ladies and gentlemen, when the workingmen of Canada are setting an example of this character, I hope you will not be slow to follow, and I trust that the example of the Canada Cycle & Motor Co. may be followed, as I am sure it will, in every factory and manufacturing industry throughout the land."

We carry these words to the people of Canada in our appeal to-day on behalf of the

Muskoka Free Hospital for Consumptives

An institution that has never refused a single applicant admission, because of his or Seventy-five patients can be cared for to-day. Accommodation could be provided for three

nundred if the required money were forthcoming. To make this possible, our appeal is for \$50,000, to be used in extension of buildings and maintenance of patients.

Where will your money do more good? Every community and every individual is interested.

His Excellency Earl Grey has shown his interest and sympathy in the work at Muskoka for needy consumptives, by accepting the position of Honorary President of the National Sanitarium Association.
