**Persicatic Sheep
and Animal Wash**

For the complete and effectual removal of all
insects or vermin peculiar to sheep and cattle.
Powerful, without being harsh. Immediate in
effect, without any irritating effects; it leaves
the animal refreshed and in good spirits after
use; does more than destroy the pests, it
completely removes all traces of their
attacks—healing sores or boils, curing open
sores and leaving the skin whole and sound.
Mr. G. A. Brodie, a prominent stock-raiser of
Bethesda, Ont., used it with great success in
castrating lambs, the wash healing the
wounds rapidly and keeping the maggots
away. He considers it the most effectual
wash in the market, and heartily recommends
it to farmers generally.

If your dealer hasn't it, write us for it, and
tell us of anything special in the ailments of
your flocks or herds and we'll advise you
how best to use it.
