

"It is one of the articles of the peculiar constitution of the Church whereof I am Rector, to preserve a missionary character, and to admit of services in various tongues. I have Prayer Books in French and German; but into Spanish the American Prayer Book has not yet been translated. Is it possible to send me 100 Spanish Prayer Books? Would the Society offer this to the advancement of the spiritual interests of many? I speak and write Spanish; and I will open a service as soon as I have Prayer Books. Should it be required, I am sure I can sell them and remit the advance. The Spaniard is willing to pay amply."

It was agreed that one hundred Spanish Prayer Books should be sent; any proceeds from the sale to be applied to the purchase of fresh copies.

The Secretaries informed the Meeting, that the Standing Committee had had under their consideration the subject of the Bishopric of Nova Scotia; the Right Rev. H. Binney, D. D., having been consecrated Bishop of that See. The income allowed for many years by Government for the maintenance of the bishopric having ceased with the life of the late Bishop Inglis, the Society for the Propagation of the Gospel had, in March last, assigned £440 per annum to the fund for the sustentation of the bishopric.

The Standing Committee gave notice that they will, on the 3rd of June, propose a grant of £2000 towards the permanent endowment of the Bishopric of Nova Scotia; provided that, within two years from this date, an additional sum of £4000 shall have been raised for the same purpose from other sources.

J. C. Meymott, Esq., gave notice of his intention to move that the condition annexed to this proposition be omitted.

It was agreed that £300 be placed at the disposal of the Lord Bishop of Nova Scotia for the Society's purposes in his diocese; and that the Bishop be requested to report to the Society the particulars of the appropriation of this amount.

A letter was read from the Lord Bishop of Quebec, dated Quebec, April 3, 1851, acknowledging the grant of £500 last year, for the purpose of aiding in the erection or completion of churches in his diocese, then comprehending the present diocese of Montreal, and sending a list of all the churches in the former diocese, as now reduced, with a statement of the appropriations from that grant. The list forwarded by his Lordship exhibits the appropriations made from the Society's grant, and is classified under the several heads of DISTRICT OF QUEBEC, DISTRICT OF THREE RIVERS, DISTRICT OF ST. FRANCIS, and DISTRICT OF GASPE IN THE GULF. The Society's £500 sterling had produced £615 currency: £420 had been appropriated in the diocese of Quebec; £120 had been transferred to the Bishop of Montreal; and £75 for further grants remained in the hands of the Bishop of Quebec.

The Lord Bishop of Montreal, in a letter dated Montreal, April 4, 1851, thanked the Society for the liberal and ready response made to his appeal on behalf of his diocese in their grant of £300 and also of Service Books and books for libraries.

The Board agreed to place at the Bishop's disposal £30 towards a Church at Eardley, a township in the mission of Rev. J. Johnston, further up the Ottawa than Hull.

The Treasurers' Audit Account, signed by six Auditors, was laid before the Board.

The amounts received between audit 1850 and audit 1851, for subscriptions, benefactions, and legacies, appeared as follows:

Subscriptions,.....	£14,516	8	11
Benefactions,.....	4,004	7	5
Legacies,.....	4,140	9	0

It also appeared that, during the same period, Bibles, New Testaments, and Prayer Books, had been issued as follow:

New Testaments,.....	76,037
Common Prayer Books,.....	290,174

SAMUEL S. WOOD.

Rectory, Three Rivers, June 12th, 1851.

* The Rev. James Tate, latterly Canon Residentiary of St. Paul's Cathedral, in addition to many other contributions to the cause of literature, was the Author of *Horatius Restitutus*, of an *Introduction to Greek Metres*, and of a *Continuous History of St. Paul*, works all favourably known to men of letters.

Small as the number of his pupils was, compared with that which annually issues from the great public schools of England, a large proportion of them distinguished and advanced themselves during their Academical course, or in other walks of life. Not to mention the attainment of various other College honours by many of them, from twelve to fifteen of them obtained fellowships at the University, among whom, were Dr. Brasse, author of a *Greek Gradus*, &c. &c., Dr. Peacock, Dean of Ely, Archdeacon Musgrave and Thorpe, and the Archbishop of York.
