"Is invaluable in the early stages of Consumption."

Testimonial from Rev. J. STONEHOUSE, St. Saviour's Vicarage, Nottingham, August, 1874: "Dear Sir,—I can strongly recommend your Pectorine as an invaluable Cough Remedy. I have given it a fair trial in my own family, and have also supplied it to persons suffering from cough in my parish, and in every instance it has given immediate relief. In some cases, after passing sleepless nights, one or two doses of the Pectorine have had such a good effect that persons have got a good night's rest, and the cough has speedily disappeared."
