I find the BEST BLACKING for summer — use is —

English Army Blacking.

There is no trouble to get a patent leather shine with it, and it holds the lustre so long. I don't have to oil my shoes as the Blacking contains so much Neatsfoot Oil that it keeps them as soft as kid. Get a box and satisfy yourself as to its superiority.

Rigby Cloth

What we mean by "Rigby Cloth" is any cloth made waterproof by the Rigby Process.

Rigby You can get it in an endless variety of tweeds and in Ladies' Dress Goods already Rigby proofed, or your tailor will take any piece you may select and get it proofed for you. Thousands of Rigby Bicycle Suits are being worn now, but the only way you can tell they are Rigby proofed is that they don't get wet; yet the cloth admits the air as freely as before. Rigby simply makes the material a repellent to water. All up-to-date Tailors and Ladies' Dress Goods Houses keep it.

The late Prof. Basil Manley, of the South Baptist Theo. Seminary, Louisville, Ky., says of the Aerial Medication: "I can cordially recommend its use." Write for a fac simile of his letter.

I am satisfied that I had consumption, had a very distressing cough and profuse expectoration which has been cured, and my health fully restored by the use of Aerial Medication. REV. I. H. HOSKINS, Reid, Texas.

Deaf 25 Years.

For many years I suffered from Catarrh, which destroyed my hearing, and for twenty five years I was so deaf that I could not hear a clock strike by holding my ear against it. I had tried every known remedy, and nothing gave me the slightest relief. I obtained Dr. Moore's treatment, and in three weeks my hearing began to improve, and now I can hear common conversation across a room; can hear a clock strike in a room 30 feet away. I think I am entirely cured, and my hearing permanently restored. EDWIN COLEMAN, Box 585, Wichita, Kas.
