Sanctum Sayings.

As most of our readers are aware The Dominion Philatelic Association is the only live society in Canada. This organization

So far we have held our peace in regard to the Omaha stamps. We think it would

have been better had they not been issued, but one good they **The** will likely accomplish is to **Omaha** shut up the "Yankee blather-skites," who had so much to **Stamps.** say about our Jubilee stamps.
