SPECIMEN TESTIMONIAL:

ST. MARY'S, ONT., MAY 28TH, 1887.

Frank Wheeler,
DEAR SIR,—I am instructed by the Collegiate Institute Board of Trustees to inform you that the Steam Heating apparatus put in our Institute Building by you last December has proved highly satisfactory, both as regards the effective way in which the building is heated, and the manner in which the work was executed by you. The teachers and pupils no longer complain of cold rooms, or an unequal distribution of heat, but enjoy the comfort of well-warmed and more equally heated apartments.

Yours very truly,

(Signed) A. CARMAN,
Secretary, St. Mary's Collegiate Institute Board.

FRANK WHEELER,
