APPROPRIATION STOCK—Subscribed Capital \$3,000,000 PERMANENT STOCK—\$100,000—Open for Subscription Shares \$100 00 payable ten per cent quarterly. Dividends of nine or ten per cent can be expected by Permanent Shareholders; the demand for money at high rates equivalent by compound interest to 14 or 16 per cent, has been so great that up to this the Society has been unable to supply all applicants, and that the Directors, in order to procure more funds, have deemed it profitable to establish the following rates in the SAVINGS DEPARTMENT:

For sums under \$500 00 lent at short notice 6 per cent
For sums over \$500 00 lent on short notice 5 "
For sums over \$25 00 up to \$5,000 00 lent for fixed periods of over three months 7 "

As the Society lends only on Real Estate of the very best description, it offers the best of security to Investors at short or long dates.

In the Appropriation Department, Books are now selling at \$10 premium.

In the Permanent Department Shares are now at par; the dividends, judging from the business done up to date, shall send the Stock up to a premium, thus giving to Investors more profit than if they invested in Bank Stock. Ayer's Cathartic Pills,

For the relief and cure of all derangements in the stomach, liver, and bowels. They are a mild aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral whatever. Much disease arises from the bowels being clogged and suffering in prevention by their timely use; and every family should have them on hand for their protection and relief, when required. Long experience has proved them to be the safest, surest, and best of all the Pills with which the market abounds. By their occasional use, the blood is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and singular are cleansed by Ayer's Pills, and stimulated into action. Thus the incipient disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution, or diet, or occupation. Full directions are given in the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these Pills rapidly cure:—

For Dyspepsia or Indigestion, Flatulency, Loss of Appetite, they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For Liver Complaint and its various symptoms, Bilious Headache, Sick Headache, Jaundice or Green Stools, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case to correct the diseased action, or remove the obstructions which cause it.

For Dysentery or Diarrhoea, but one mild dose is generally required.

For Hemorrhoids, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back and Limbs, they should be continuously taken, as required, to change the diseased action of the system; with such change those complaints disappear.

For Dropsy and Dropsical Swellings, they should be taken in large and frequent doses to produce the effect of a drastic purge.

For Suppression, a large dose should be taken, as it induces the secretions, by sympathy, from the diseased part.

As a Dinner Pill, take one or two Pills to promote digestion and relieve the stomach.

An occasional use of these Pills cleanses the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well often finds that a dose of these Pills makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

For Biliousness, take one or two Pills to promote digestion and relieve the stomach.
