

BETWEEN LIFE AND DEATH

THE NARROW ESCAPE OF A WELL KNOWN NEWBURGH MAN.

BY THE LOSS OF A FINGER MR. CHAS. MOORE OF THAT VILLAGE NEARS DEATH'S DOOR, BUT IS RESCUED AFTER DOCTORS HAVE FAILED.

From the Napanee Beaver.

In the pleasant little village of Newburgh, on the Bay of Quinte Railway, seven miles from Napanee, lives Mr. C. H. Moore and family. They are favorably known throughout the entire section, having been residents of Newburgh for years. Recently Mr. Moore has undergone a terrible sickness, and his restoration to health was the talk of the village, and many even in Napanee and vicinity heard of it, and the result was that The Beaver reporter was detailed to make an investigation into the matter. Mr. Moore is a carriage maker and while working in Finkle's factory last winter met with an accident that caused him the loss of the forefinger of his right hand. It was following this accident that his sickness began. He lost flesh, was pale, suffered from dizziness to the extent that sometimes he could scarcely avoid falling. He consulted physicians and tried numerous medicines, but without any benefit. He was constantly growing worse and the physician seemed puzzled, and none of his friends thought he would recover. One day a neighbor urged Mrs. Moore to persuade her husband to give Dr. Williams' Pink Pills a trial, and after much persuasion he consented. After a few days he began to feel better, and it no longer needed persuasion to induce him to continue the treatment. A marvelous change soon came over him. Each day he seemed to gather new strength and new life, and after eight boxes had been taken, he found himself again a well man. Mr. Moore is now about sixty-five years of age, he has been healthy and has worked hard all his life until the sickness alluded to, and now, thanks to Dr. Williams' Pink Pills, he is once more able to work in his old accustomed way, and does not hesitate to give the credit to the medicine that restored him to health, at a cost no greater than a couple of visits to the doctor.

Time and again it has been proven that Dr. Williams' Pink Pills cure when physicians and other medicines fail. No other medicine has such a wonderful record and no other medicine gives such undoubted proofs of the genuineness of every cure published, and this accounts for the fact that go where you will you will hear nothing but words of praise for Dr. Williams' Pink Pills. This great reputation also accounts for the fact that unscrupulous dealers here and there try to impose a bulk pill upon their customers with the claim that it is just as good, while a host of imitators are putting up pills in packages somewhat similar in style in the hope that they will reap the reward earned by the merit of the genuine Pink Pills. No matter what any dealer says no pill is genuine unless it bears the full trade mark, "Dr. Williams' Pink Pills for Pale People," on the wrapper around every box. Always refuse substitutes which are worthless and may be dangerous.

THE CANADIAN FIRE EXTINGUISHER CO., Limited,
The DURAND FIRE EXTINGUISHER is approved by all competent authorities, amongst others—
Messrs. M. P. Benoit, Chief Fire Department, Montreal; J. H. Carlsile, Chief Fire Department, Vancouver, B.C.; C. Coates, Department Public Works, Chief Inspector for Dominion; A. Raza, Provincial Architect; from Government Inspectors, etc., etc.
It is pre-eminently the MOST EFFICIENT FIRE EXTINGUISHER ever placed before the public. It will immediately arrest the progress of a severe fire. It is easy to handle and operate; a child can use it as well as a grown-up person, and they should be in every household. The great value of the DURAND FIRE EXTINGUISHER for Manufacturers, public and religious buildings, is already well appreciated, and many such buildings are provided with a number of them.

The Durand Fire Extinguisher

has already demonstrated its efficiency on many occasions when used in an emergency. Among others may be cited the following, where prompt use of DURAND FIRE EXTINGUISHERS prevented large conflagrations, and saved much valuable property:—

The Company also manufactures Extinguishers of larger sizes, 2 and 3 gallons, especially for the use of Fire Departments of cities, villages and municipalities, to take the place of Barbours or other apparatus of that kind. The Montreal Fire Department have already purchased 12 of the 5 gallon size.

"Back River" Park.

The most beautiful spot on the Island of Montreal for Summer and Winter Residences.

Alongside of the finest and largest Canadian Convent, the Sacred Heart. Within twenty minutes of Montreal by electric railway. Grand shades, verdure, pure air, water facilities, perfect accommodations and good hygienic services.

This Splendid Property,
Divided into lots, is the only one on the Island of Montreal that is reached at present by the electric cars, and the only tract that extends in proximity to the Convent of the Ladies of the Sacred Heart, an institution which, as is well known, rises upon one of the most beautiful sites on the Island of Montreal. There also do the electric cars stop and it is easily understood how great the advantages are to possess such a terminus. Moreover, this portion of the Island has perfectly macadamized roads, and solid and well-laid sidewalks. It offers, thanks to its situation on the picturesque BACK RIVER, the ideal of HOME, where meet in happy union the charms of country life and all the comforts to be found in the city.

Mr. J. B. Pelouquin,
The proprietor of the well-known hotel of the place, conceived a happy idea, when he resolved to transform that large and beautiful tract of land into a pleasure ground and a place of residence that may cause many renowned localities to grow envious.
We have Lots for all Classes and Purposes.
The Lots are from \$75 to \$1000, according to position.
The conditions are easy: 25 PER CENT. CASH and the balance payable in 5 years with an annual interest of 5 per cent., or in monthly payments.
The Electric Cars bring the visitors to the property, where MR. J. B. PELOQUIN'S representative will be always on hand.
