COMMERCE.

It has no limit. Its domain is widespread as civilization itself; wherever it comes life, wealth and progress appear, like the sun's light it stirs into action the whole face of nature. It is a lordly tree with many branches. It has a stream for every land and a tide for every sea. It is the pulse of nations, the forerunner of storms, and it yet the very repose of peace. It is the poor man's staff, the rich man's ambition, and one of the brightest gems in the diadem of royalty. It builds cities, maintains the army, and gives character to nations. Its influence is felt everywhere. It dries up the bitter tear and spreads a scene of gladness and content where poverty and despair held their dismal sway. It gives strength to the arm, action and enterprise to the mind, and honest pride to the man. It engages the professions, fosters the fine arts, and keeps up a constant interchange of thought between nations and men. It is a sort of universal passport or medium, or language by which all countries and peoples come to know each other as circumstances may require. System and Commerce are the two main-springs by which the whole machinery of society is kept in active motion. Commerce transports the products of our soil to distant lands and returns to us with the most beautiful fabrics that inventive genius can design. As a further illustration, we would advise an early inspection of the late fashions just arrived at the CLOTH HALL, Notre Dame Street.

ONLY \$75 FOR ONE OF SINGER'S CELEBRATED SEWING MACHINES, WARRANTED TO BE THE SAME. In every respect, as those sold by I. M. Singer & Co. in the States for \$110.

THIS PRICE INCLUDES an IRON STAND such as Singer sells for \$10. I have made an improvement on Singer's large sized Machine, by which patent leather can be stitched without oil. Shoemakers had a great objection to use these Machines before, owing to the oil continually working off the leather on the lastings and cloths of ladies gaiters. The necessity of applying oil to patent leather is entirely obviated by this new improvement. CALL AND EXAMINE! All intending purchasers are invited to call and examine the BEST and CHEAPEST SEWING MACHINES ever offered for sale in Canada. PRICES: No. 1 Machine.....\$75 00 No. 2 ".....85 00 No. 3 ".....95 00 I have received numerous testimonials from Boot and Shoe manufacturers, Tailors, Dress-makers, Seamstresses, and others, who are using my Machines—all unite in recommending them for general use. Nagle's Sewing Machine in our Factory for the past three months, and have no hesitation in saying that they are in every respect equal to the most approved American Machines,—of which we have several in use. CHILDS, SCROLES & AMES. Montreal, 26th July, 1859. The subscribers having used the Sewing Machines of Mr. E. J. Mr. Kennedy takes great pleasure in presenting the readers of the TRUE WITNESS with the testimony of the Lady Superior of the St. Vincent Asylum, Boston:— St. VINCENT'S ASYLUM, Boston, May 28, 1856. Mr. Kennedy—Dear Sir—Permit me to return you my most sincere thanks for presenting to the Asylum your most valuable medicine. I have made use of it for scrofula, sore eyes, and for all the humors so prevalent among children, of that class so neglected before entering the Asylum; and I have the pleasure of informing you, it has been attended by the most happy effects. I certainly deem your discovery a great blessing to all persons afflicted by scrofula and other humors. ST. ANN ALEXIS SHORR, Superior of St. Vincent's Asylum, Hamilton, O. W. Dear Sir—We have much pleasure in informing you of the benefits received by the little orphans in our charge, from your valuable discovery. One in particular suffered for a length of time, with a sore leg; we were afraid amputation would be necessary. We feel much pleasure in informing you that he is now perfectly well. SIBYRS OF ST. JOSEPH, Hamilton, O. W.

KENNEDY'S SALT RHEUM OINTMENT, TO BE USED IN CONNECTION WITH THE MEDICAL DISCOVERY. For Inflammation and Humor of the Eye, this gives immediate relief; you will apply it on a linen rag when going to bed. For Scald Head, you will cut the hair off the affected part, apply the Ointment freely, and you will see the improvement in a few days. For Salt Rheum, rub it well in as often as convenient. For Sores on an inflamed surface, you will rub it in to your heart's content; it will give you such real comfort that you cannot help wishing well to the inventor. For Scabs; these commence by a thin, acid fluid oozing through the skin, soon hardening on the surface; in a short time are full of yellow matter; some are on an inflamed surface, some are not; will apply the Ointment freely, but you do not rub it in. For Sore Legs; this is a common disease, more so than is generally supposed; the skin turns purple, covered with scales, itches intolerably, sometimes forming running sores; by applying the Ointment, the itching and scales will disappear in a few days, but you must keep on with the Ointment until the skin gets its natural color. This Ointment agrees with every flesh, and gives immediate relief in every skin disease fresh is heir to. Price, 2s 6d per Box. Manufactured by DONALD KENNEDY, 130 Warren Street, Roxbury Mass.
