of whom won places on the team for England, will be unable to go owing to private business arrangements. Pte. Tink, now ever, will be with the team, to represent the Guards; and Lieut. Boville of the 43rd Battalion have the best wishes of the shooting men of this district for their success. Mr. George A. D. Mailleue, Hon-Secretary of the Guards' Rifle Association, received a very interesting communication last week, in the shape of a copy of the report of the "Federal Council of the Rifle Association of Australia;" accompanying the report was a slip containing the following greeting:

"To Canada from Australia with fraternal greetings upon the occasion of the inauguration of direct steam communication between the two countries. The Australian SS. Miowera sails from Sydney for Vancouver, May 18th, 1893. Will be glad of your report in return, Lieut. Oldershaw, 1st Regt. Infantry, Sydney N.S.W, 16-5-93."

The friendly greeting is quite appreciated by our Canadian riflemen.
