Ayer's Cherry Pectoral

Possesses the greatest possible power to heal and control affections of the throat and lungs, with absolute safety for children or adults. The experience of years has proven it to be of inestimable value as a household medicine, and for professional use. Thousands of physicians and families testify to its great worth. Jas. E. Moling, Hilliard, Ohio, writes: "I have used Ayer's Cherry Pectoral in my family for twelve years, and have found that, as a remedy for Coughs, Colds, or Sore Throats, it

Is Unequaled.

J. I. Miller, editor of the "Lutheran Home," Luray, Va., writes: "I advertise nothing that I do not know to be good. I was saved from the grave, I am sure, by the use of Ayer's Cherry Pectoral, and have recommended it to others with the happiest results." L. J. Addison, M. D., Chicago, Ill., writes: "I have never found, in thirty-five years of continuous study and practice in medicine, any preparation of so great value as Ayer's Cherry Pectoral, for treatment of diseases of the throat and lungs; and I constantly recommend it to my patients. It not only breaks up colds and cures severe coughs, but is effective in relieving the most serious bronchial and pulmonary affections."

John J. Uhlman, Brooklyn, N.S., writes: "Twelve years ago, I was afflicted with a severe bronchial trouble, pronounced by a skilful physician to be very dangerous, and liable to terminate in Pneumonia. After using one bottle of Ayer's Cherry Pectoral, I found great relief, and an occasional use of it since that time has, I think, extended my life ten years at least." Mrs. V. M. Thebaud, Montreal, Canada, writes: "Last spring my daughter was attacked by membranous croup, or diphtheria. The doctor prescribed Ayer's Cherry Pectoral, which cured her of the diphtheria. Being still very weak and sick, she began taking Ayer's Sarsaparilla, which restored her to vigorous health."
