

MISCELLANEOUS.

The importance of purifying the blood can not be overestimated, for without pure blood you cannot enjoy good health.

At this season nearly every one needs a good medicine to purify, vitalize, and enrich the blood, and Hood's Sarsaparilla is worthy your confidence. It is peculiar in that it strengthens and builds up the system, creates an appetite, and tones the digestion, while it eradicates disease. Give it a trial.

Hood's Sarsaparilla is sold by all druggists. Prepared by C. I. Hood & Co., Lowell, Mass.

By order,

W. MACLEAN,
 Managing Director.

Toronto, December 6th, 1893.

A new process of rain making was recently brought before the Academie des Sciences, Paris, by M. Baudouin. His theory is that electricity maintains the water in clouds in a state of small drops, and that if the electricity be discharged the water will come down.

CONSTIPATION CURED.

The following extract from a letter from Mr. Jas. M. Carson, Banff, N.W.T., will speak for itself:—"I have been troubled with constipation and general debility and was induced to use your B.B.B. through seeing your advertisement. I now take great pleasure in recommending it to all my friends, as it completely cured me."

In some sections of England it is said coal is selling at \$15 a ton.

Good men are not all dead yet. It is reported that in Lowell one of them, who owns ninety tenements, says that he will not turn out any respectable tenant this winter because he cannot pay the rent.—*Newport News*.

"My Optician," of 159 Yonge St., is an old established firm in Toronto, having made optics a speciality examines eyes correctly, charging only for spectacles.

A despatch from Teheran to the London Times says that 12,000 persons were killed in Kushan, Persia, by the earthquake recently. Ten thousand bodies have been recovered from the ruins. Fifty thousand cattle were killed. Shocks are still felt daily.

THE BEST COUGH CURE.

Dr. Wood's Norway Pine Syrup is the safest and best cure for coughs, colds, asthma, bronchitis, sore throat and all throat and lung troubles. Price 25c. and 50c.

"The boom in gold mining which has struck this state is going to make 1894 a very prosperous year for Colorado," says the Denver Republican. And it is only a few days since Senator Teller wept in the United States Senate for the ruined people of his state.

WORTH ITS WEIGHT IN GOLD.

DEAR SIRS,—I can truly say Hagyard's Pectoral Balsam is the best remedy ever made for coughs and colds. It is worth its weight in gold. HARRY PALMER, Lorneville, Ont.

It is probably not generally known that there are gold fields in Scotland. There are, however, some old workings known as the Kildonan gold fields, in the county of Sutherland, in the extreme north of Scotland. The County Council of this shire have recently approached the owner of the ground and asked him to allow the fields to be worked by the resident population for a fair surface rent.

Handsome Features.

Sometimes unsightly blotches, pimples or sallow opaque skin, destroys the attractiveness of handsome features. In all such cases Scott's Emulsion will build up the system and impart freshness and beauty.

The superintendent of transportation on the Brooklyn Bridge says that constant inquiry is being made for some system better than that in use, but he doubts whether it can be found. With the cable it is impossible for one train to crawl up on another, and largely for this reason, there has been a wonderful freedom from accidents. The passengers carried now number 297,000,000, and not one has been killed.—*Railway Review*.

OUR FAMILY PHYSICIAN.

DEAR SIRS,—I was troubled with eczema (salt rheum) for about two years, but I did not bother with it until it began to itch and spread over my hand. I then took four bottles of B. B.B., which completely drove it away. It was by my son's advice I took B.B.B., as B.B.B. is our family physician.

J. S. MILLS, Collingwood, Ont.

A Greek engineer who pursued his studies in this country has prepared a plan for the electric lighting of the Bosphorus from Kanak to San Stefano, on the Sea of Marmora. He proposes to accomplish this by building three machines or engines, at Arnout Koei, Kanduli and Perai-Barum, where the current is unusually strong.

C. C. RICHARDS & Co.

I have used your MINARD'S LINIMENT successfully in a serious case of croup in my family. I consider it a remedy no house should be without.
