

Section 5. *Designation of participants to provide currency*

(a) The Fund shall ensure that a participant will be able to use its special drawing rights by designating participants to provide currency for specified amounts of special drawing rights for the purposes of Sections 2 (a) and 4 of this Article. Designations shall be made in accordance with the following general principles supplemented by such other principles as the Fund may adopt from time to time:

- (i) A participant shall be subject to designation if its balance of payments and gross reserve position is sufficiently strong, but this will not preclude the possibility that a participant with a strong reserve position will be designated even though it has a moderate balance of payments deficit. Participants shall be designated in such manner as will promote over time a balanced distribution of holdings of special drawing rights among them.
- (ii) Participants shall be subject to designation in order to promote reconstitution under Section 6 (a) of this Article; to reduce negative balances in holdings of special drawing rights; or to offset the effect of failures to fulfil the expectation in Section 3 (a) of this Article.
- (iii) In designating participants the Fund normally shall give priority to those that need to acquire special drawing rights to meet the objectives of designation under (ii) above.

(b) In order to promote over time a balanced distribution of holdings of special drawing rights under (a) (i) above, the Fund shall apply the rules for designation in Schedule F or such rules as may be adopted under (c) below.

(c) The rules for designation shall be reviewed before the end of the first and each subsequent basic period and the Fund may adopt new rules as the result of a review. Unless new rules are adopted, the rules in force at the time of the review shall continue to apply.

Section 6. *Reconstitution*

(a) Participants that use their special drawing rights shall reconstitute their holdings of them in accordance with the rules for reconstitution in Schedule G or such rules as may be adopted under (b) below.

(b) The rules for reconstitution shall be reviewed before the end of the first and each subsequent basic period and new rules shall be adopted if necessary. Unless new rules are adopted or a decision is made to abrogate rules for reconstitution, the rules in force at the time of the review shall continue to apply. An eighty-five per cent majority of the total voting power shall be required for decisions to adopt, modify, or abrogate the rules for reconstitution.
